

TRAVEL GROUP
CONSIDERING
NEW PLANS TO
PROMOTE TOWN

Plans for a number of activities
to publicize the community were
outlined Monday evening at a
meeting of the Gettysburg Travel
Council at the VFW home, E.
Middle St.

The group voted to cooperate
with the Adams County Demo-
cratic Committee in the prepara-
tion of a float for the gubernatorial
inaugural parade at Harris-
burg. The Democrats will fi-
nance the float depicting Gettys-
burg as "Pennsylvania's Shrine." The
idea has been submitted to the
parade authorities for approval.

The possibility of sending tape
recordings of a special Lincoln-
Gettysburg program to radio sta-
tions for use February 12, the
150th birthday of Abraham Lin-
coln, was outlined. An effort will
also be made to place Lincoln
window displays in stores in
Philadelphia, Washington and
elsewhere at various times dur-
ing the coming year.

Release Publicity

Four stories concerning Gettysburg were approved for release to a press association which had asked such service. The council will seek descendants of Pennsylvania men who won medals of honor for valor during the Battle of Gettysburg in an attempt to have those descendants here for a reunion during the anniversary of the battle.

The council voted to continue urging borough council to consider the possibility of changing street names to names of Battle of Gettysburg heroes as new streets are named or street signs are replaced. Borough Council has already started such naming.

President Walter B. Lane reported on a talk on the work of the Travel Council given to the local Exchange Club.

Order New Folders

He added that similar talks are scheduled for the local Rotary and Kiwanis clubs and expressed the hope that more local organizations will invite the Travel Council to make a presentation of the Travel story at their meetings.

30,000 Gettysburg folders, costing \$1,020, are now being distributed. Preliminary approval was given to the wording of a new folder to be given to tourists outlining places to visit while here. 50,000 are to be printed at a cost of about \$1,000.

Secretary Carl Schutt reported cash and pledges received in the current fund campaign total \$5,328, with a number of members still to be contacted. Lane urged increased support of Travel Council to defray the costs of various promotional campaigns plus secretarial, mimeographing and printing costs.

Discuss Bypass

A lengthy discussion was held on the effect of an anticipated bypass of Gettysburg on Routes 16 and 30 on the tourist trade.

Henry M. Scharf said that the bypass will "cut out the tourist who stops here only because he happens to be passing through. The experience of Valley Forge proves this. Unless people particularly want to go to a place they will not drive even a mile or two out of their way to see it."

Lane was asked to appoint a committee to consider "practical ways to make our community more attractive to potential tourists in order to make them want to come to Gettysburg."

Charge 2 Motorists
On Traffic Counts

State police filed two charges against Charles F. Green, Waynesboro, before Justice of the Peace Roy E. Metz, Hamiltonham Twp. Green was charged with failure to stop at a stop sign and driving without an operator's license. The violations occurred in Liberty Twp.

A 10-day notice was sent by Justice Metz to Richard L. Kempfer, Fairfield R. 1, on state police charges of speeding in Virginia Mills, Hamiltonham Twp.

TO SHOW GRAHAM FILM

"Fire on the Heather," a feature-length motion picture produced by Evangelist Billy Graham, will be shown at the North East Zone Christian Education Rally January 3 at 7:30 p.m. in the Heidersburg United Brethren Church. It is the story of Scotland's struggle against internal and external tyranny in her efforts to remain a Christian country. The film is climaxed with scenes from the Billy Graham Crusade for Christ in Glasgow.

Mother Starves
Baby To Death

AUSTIN, Tex. (AP) — Officers said a 4-year-old boy who weighed only 24 pounds died of malnutrition here Monday. They said they found two of his sisters about to starve to death.

The boy, Wilborn Rowe Battise, was dead on arrival at a local hospital.

Detectives quoted the victim's mother, Laverne Sylestine, 24, as saying the boy had been on a diet of "beans and bread for breakfast, nothing for lunch, beans and bread for supper and plenty of water."

Officers said the sisters, ages 6 and 2, were so weak they could hardly stand.

The mother and her male companion, who brought the boy to the hospital, were jailed on vagrancy charges.

HARRISBURG
MAN HURT IN
CRASH TODAY

George Hooper, 43, Harrisburg, was injured this morning at 11:15 o'clock when his car and a truck operated by Edward Spence, 20, Fairfield, collided at the intersection of Baltimore and Middle Sts.

Borough police estimated damage to Hooper's car at \$1,200. They said the crash occurred as Spence, traveling east on W. Middle St., entered the intersection and his truck collided with the side of the northbound auto. Police said the green light on the traffic signal at the intersection favored Spence.

Spence apparently had originally planned to turn north on Baltimore St. from W. Middle, but when the auto continued through the intersection in his path, he attempted to straighten his truck to avoid the crash.

The impact hurled the new sedan against the traffic light pillar at the Minter's store corner of the intersection, damaging the rear of the car and slightly bending from its position around the pole.

The truck was relatively undamaged. The H. and H. Machine Shop tow truck pulled the auto from its position around.

The Gettysburg Fire Department ambulance removed the driver to the Warner Hospital where he was found to have suffered cerebral concussion. He was admitted for observation.

New State Here Saturday

President Eisenhower will issue a proclamation "before Monday" proclaiming the statehood of Alaska, the 49th state admitted to the Union, and will issue an executive order redesigning the flag to include 49 stars.

200 MASONS
AT ANNUAL ST.
JOHN'S DINNER

"Masonry and Americanism are closely linked," Gen. Willard S. Paul, president of Gettysburg College, told nearly 200 Masons at the annual St. John's Day banquet of Good Samaritan Lodge No. 230, Monday evening at the American Legion home.

Speaking on "Masonry and the Military," Gen. Paul traced his experiences in the Masonic orders while in the Army in which he enlisted in 1916 as a private. "Among the people I have served with," he said, "the great majority are Masons."

Speaking of Masonry in Russia, Gen. Paul stated, "When power is insecure, it fears the groups it cannot dominate. So it is with Russia."

Present Jewel, Pin

Dr. Harold Dunkelberger, grand chaplain of the grand chapter of Pennsylvania and assistant to Gen. Paul at Gettysburg College, introduced the speaker.

Edward Stine, retiring worshipful master of Good Samaritan Lodge, was presented with a past master's jewel, past master's pin and past master's apron by Paul G. Pensinger, district deputy grand master.

Newly elected officers were introduced: Charles E. Kuhn, worshipful master; George W. Glenn, senior warden; Henry M. Krick, junior warden; Ray J. Kitzmiller, secretary; Paul A. LeGore, representative in Grand Lodge, and Dr. Lloyd C. Keefeauver, P.M., trustees. Kenneth W. Johns, who will serve as treasurer, and Eugene R. Hartman, a trustee, were unable to attend.

Appointed Officers

Appointed officers introduced were: chaplain, David Walker Woods Jr.; senior deacon, Donald D. Bucher; junior deacon, Allan R. Gray; senior master of ceremonies, George E. Helwig; junior master of ceremonies, William R. Fiscel; tyler, John L. Bower; pursuivant, Radford H. Lipsey, and stewards, S. Lester Scott and H. Merle Stultz.

Guests introduced included: Robert Miller, worshipful master of Patmos Lodge No. 248, Hanover, who introduced his lodge officers; and Rev. Archie Rohrbaugh, worshipful master of W. M. Hebron Lodge No. 465, New Oxford, who introduced his officers. Others introduced included John Welker, district deputy grand master, District Three, and William R. Swisher, division commander of Division 16 of Knights Templars and principal of Fourth Masonic School of Instruction.

The invocation was given by Rev. Philip Bower and the Rev. Edmund L. Manges pronounced the benediction.

East Berlin Gets
\$395 C-D Check

The State Council of Civil Defense announced today the mailing of a check to East Berlin for \$395.05 representing Civil Defense's share of the cost of a walkie-talkie radio communications system for use by the fire department of that borough for Civil Defense and fire services.

The amount was one of 50 checks to as many political subdivisions totaling \$42,965.10. So far this year the state Council of Civil Defense has provided \$694,002.72 in matching funds to various Pennsylvania townships and communities to purchase more than \$1,200,000 worth of equipment.

PLAN PARTY

The Adams County Senior Extension Club's New Year's Eve party will be held Wednesday evening beginning at 10 o'clock in the York Springs fire hall. There will be square dancing led by Fred Crouse, games and refreshments.

Mrs. G. Reeve, 61,
Dies Here Monday

Mrs. Mary A. Reeve, 61, widow of George W. Reeve, died Monday evening at 5:30 o'clock at the home of her son-in-law and daughter, Mr. and Mrs. Rodrick Montgomery, 152 W. Middle St., after an illness of several years.

A native of Adams County, she was a daughter of the late William F. and Lucy Catherine Montgomery. Her husband died October 26, 1951. She was a member of St. Francis Xavier Catholic Church.

Surviving are three children: Mrs. Marie Chamberlain, Gettysburg; Mrs. Allen Walters, Littlestown; and Mrs. Rodrick Montgomery, W. Middle St., with whom she resided. Also surviving are eight grandchildren and three great-grandchildren.

Funeral services Friday morning with meeting at the Bender Funeral Home, Carlisle St., at 8:15 o'clock to go to St. Francis Xavier Catholic Church for burial.

VEW TO MEET

The local VFW post will meet tonight at 8 o'clock in the post home. Commander John Murray announced, calling on members to attend. The special session tonight is in lieu of the regular meeting omitted because of the Christmas holiday. Meetings of the home association and the board of directors will be held following the post meeting.

New Oxford Rural Mail
Carrier Retires Dec. 31

Merrill A. Yohe, 58-year-old New Oxford rural mail carrier who will end 38 years' service Wednesday, is shown sorting mail upon his return to the post office in the square at New Oxford Monday afternoon.

Tomorrow Merrill A. Yohe, 58, New Oxford R. 2 who has been carrying mail on rural routes out of the New Oxford postoffice for more than 38 years, will cover his 58-mile circuit for the last time.

He has elected optional retirement on December 31 after carrying the mail for Uncle Sam more than 200,000 miles or the equivalent of about 40 times around the world.

Serving under five postmasters, Mr. Yohe's services date back to the "horse and buggy" days of the rural free delivery service. When he started November 1, 1920, as the carrier on Route 4 out of New Oxford, he had a Model T and a horse and buggy.

He used the car when the weather was good and the roads were fit but relied on horseflesh when the going got tough.

Car Frozen Fast

The roads are better now and the State Highway and township road crews do a much better job on snow removal than a few decades ago, Mr. Yohe said. He recalls one day when his car got so badly stuck in the mud near Five Points that he climbed out with the mail to get back to the postoffice on hitched rides and on foot. Next day, when he and his brother tried to pull the car out, it was frozen fast in the mud of the day before.

He recalls, too, when he had to abandon his auto in high water and wade with mail bags to higher ground in a flooded creek but there was never a day on duty in those 38 years that he did not cover all or part of his route despite weather conditions.

He does not choose to use some accumulated annual leave but is carrying the mail today and will make the rounds Wednesday, his final day. There are also some 350 days of accumulated and unused sick leave — more than 25 years' worth — that Mr. Yohe leaves on his record.

When Mr. Yohe started as a rural carrier, New Oxford had four routes. His Route 4 measured 26 miles and had 117 patrons' boxes. Now the 58-mile route has 496 stops. His cars did not have speedometers until 1926 but since then he has been averaging 25,000 miles a year on duty.

Time For Hobbies

He will devote more time to his hobbies of fishing, hunting, (Continued On Page 2)

ELECT KLUCK
TO 2 POSTS AT
BENDERSVILLE

Robert Kluck was elected secretary-treasurer of the Bendersville Borough Council at its meeting Monday night in the Bendersville National Bank building. He will succeed Clyde P. Orner, secretary, and Mrs. Myrtle Lerew, treasurer.

Council decided to combine the two offices in a move aimed at streamlining the conduct of the borough's business.

Following its custom of rotating offices, the council also elected Lloyd Bream president to succeed James F. Wright and elected Parker Koontz vice president. No change was made in legal counsel, Bigham and Raffensperger being retained. Mervin I. Rice was reappointed to his post as health officer.

Council also engaged in preliminary discussion of the 1959 borough budget.

Following adjournment, Burgess Leighton C. Taylor, members of council and borough employees went to Earle's Inn, near Gettysburg, for dinner. Attending were Taylor, Orner, Wright, Nelson Kene, Mervin I. Rice, Koontz, Ward B. Delap, Bream, Harry Lerew and Police Chief Chester Ozlen.

SKATING RINK
MAY BE SET UP
AT REC PARK

The possibility of providing an outdoor skating rink at the Recreation Park next year in cooperation with the Junior Chamber of Commerce was discussed at some length by members of the Gettysburg Recreation Board at its meeting Monday evening in the Recreation office in the Gettysburg High School.

The proposed plan would call for purchase of a large plastic pool about four inches in depth which would be placed over the tennis courts at the Recreation Park. Lights and music and a fire-place could be provided from park facilities.

Board President Kenneth Dengler said that ice skating accommodations are needed "because there is always a danger of streams and ponds, and the number of skating facilities available are becoming more and more limited."

Will Cost \$1,000

Whether the project, which will cost approximately \$1,000, will be carried out will depend to a large extent on the success of a similar installation this year at Newark, N. J. Local recreation officials have asked recreation officials there for reports on how the plastic pool serves as an ice skating rink.

Recreation Director Chester Hilger said that the local Jaycees have pledged assistance in raising the money needed to finance the project.

Hilger also reported that new basketball baskets and backboards are being placed at the high school to provide lower baskets for smaller youngsters to play the game. A league will be started in January for elementary school youths. The Optimist Club, he said, is planning to provide uniforms.

Pay Quarterly Bill

The board members attended the pre-New Year's dance sponsored by the recreation association at the high school cafeteria which 140 young people attended.

A letter from M. Hardy Nichols to borough council asking permission to construct a fence around the Little League field at the Recreation Park was turned over to the Recreation Board. Dengler was instructed to secure more information.

The first quarterly bill was received from the Gettysburg School Board for reimbursement to the school board for salaries paid the Recreation Director and other instructors. The amount for the period from October 1 to December 31 was \$866.

CITES WORK OF
KIWANIS CLUB

The work of the Kiwanis Club during the year was outlined by Retiring President Herbert Hamme at a meeting of the club Monday evening at Bankert's Restaurant.

Income from 31 penny gum dispensing machines in stores and on streets provided funds for underprivileged children and adults, Hamme said.

A rodeo and concert by the Elks Chorus of Hanover, "provided entertainment" and a "small profit" for the organization which also went into the charity fund.

Hamme expressed the appreciation of the club to the public for its support of the Christmas tree sale by members which "tripled the number sold a year ago." He also announced a "good sale" of ribbon candy during the Christmas season.

Thirteen members provided transportation for the distribution of more than 50 "food baskets" in cooperation with Explorer Post 79 immediately before Christmas. The cars traveled 350 miles through the county.

Hamme announced that Dr. D. L. Radsma will speak on Indonesia at the meeting next Monday at Bankert's Restaurant.

Hoffa Takes First Step
To Seize Control Of U.S.

NEW YORK (AP) — The Teamsters Union, bent on organizing the city's police force, plans to dramatize its drive by daily picketing of police headquarters beginning Jan. 12.

Henry Feinstein, Teamsters official, said the picketing is aimed at Police Commissioner Stephen P. Kennedy.

"We are going to give the commissioner a taste of the economic force and pressure of the Teamsters Union," Feinstein said.

His threat to force policemen to join the Teamsters Union made him unfair to our union and to all of organized labor."

Hamilton Funeral
To Be Wednesday

Funeral services for Mrs. Addie Myrtle Hamilton, 81, widow of Robert Franklin Hamilton, formerly of Highland Twp., who died Monday at the Piney Mountain Home for the Aged where she had been a patient for 18 months, will be held Wednesday morning at 10 o'clock from the Bender Funeral Home, Carlisle St., with the Rev. Edwin Elliott and the Rev. Harry S. Ecker officiating. Interment will be in Evergreen Cemetery. Friends may call this evening from 7 to 9 o'clock at the funeral home.

2 MEN HURT IN
BRIDGE CRASH
ON ROUTE 15

Two men were injured Monday evening at 5:35 o'clock when two cars collided in a bridge over Rock Creek three miles north of here on the Harrisburg Rd.

State police said Len C. Johnson, 62, Seven Stars, was headed south and sought to pass a southbound car operated by Clifford A. Brown, 68, of Rochester, N. Y.

Johnson, police said, was in the act of passing when the left side of his car struck the east side of the bridge wall. The impact hurled the Johnson car into the side of the Brown vehicle, and the Brown car then smashed into the west side of the bridge wall.

Taken To Hospital

The Gettysburg Fire Department ambulance removed Brown and a passenger in his car, Robert H. Wagner, 37, Freeport, N. Y., to the Warner Hospital.

Brown was treated for a broken nose, contusions of the body, a fractured right leg and lacerations of the face. Wagner had a laceration of the left knee.

Damage was estimated at \$170 to Johnson's 1957 sedan and \$500 to Brown's 1953 auto.

HARBOLD RITES
ARE HELD TODAY

Largely attended funeral services were held this afternoon at 2 o'clock for Ervin Levi Harbold, York Springs R. 1, farmer and rural mail carrier, who died Saturday in the Hanover Hospital of auto accident injuries suffered December 18. The funeral was conducted at the Pittenturf Funeral Home in York Springs.

The Rev. Calvin Cole, Bruce Anderson and the Rev. Norman L. Bortner officiated. Interment was made in Sunnyside Cemetery. The pallbearers were Paul Brough, Paul Lerew, Paul Weigle, Kenneth Wilt, Miley Yohe and Clarence Stonosifer.

More than 600 attended the viewing Monday evening at the Pittenturf Funeral Home.

There has not yet been any decision about which county will conduct an inquest into the Harbold death, if an inquest is held. The accident in which he suffered his fatal injuries occurred near Hampton in Adams County but he died in York County District Attorney Daniel E. Teetler of Adams County and the district attorney of York County, Frank B. Boyle, are to confer on the matter.

The attorneys will attempt to resolve an apparent conflict between state law and a reported agreement reached at a recent coroner's convention on cases where the death occurs in a different county from that in which the fatal injuries were received.

COMPLETES TYPIST COURSE

Pvt. Ronald L. Hankey, 18, son of Mr. and Mrs. Roy R. Hankey, 19 Fifth St., recently completed the eight-week clerk typist course under the Reserve Forces Act program at the Army Armor Training Center Fort Knox, Ky. Hankey was graduated from Gettysburg High School in 1957 and was employed by the First National Bank of Gettysburg before going on active duty.

PLAN BOWLING MATCH

The Franklin County Senior Extension Club will be hosts for the local extension club bowling team January 17 at 9 p.m. in the Nellie Fox Bowling Alleys, Chambersburg. Club members who are participating should meet at the REA building at 8 p.m. that evening.

COMPLETES COURSE

John E. Brown, yeoman seaman, U.S.N., son of James E. Brown, Gettysburg, has graduated from Naval Justice School, Newport, R. I. The school provides instruction for officers and enlisted personnel of the Armed Forces in the fundamental principles of military law and procedure.

PRESIDENT TO
GIVE MESSAGE
TO CONGRESS
JANUARY 9TH

President Eisenhower will go before Congress in person to deliver the annual State of the Union message at noon on Friday, January 9. Press Secretary James C. Hagerty told a morning news conference in the Hotel Gettysburg pressroom.

He emphasized that the message will not be a catalog of programs and recommendations but will be a review and summation of the "state of the nation and the state of the world" and will cover the important items as the President sees them. Specific recommendations on economic matters and budget will be held for later, special messages. The date for the budget message has not been set but should be known soon, Hagerty said.

The date for the State of the Union message was decided upon by the President after consultation with Congressional leaders in both houses, the newsmen were told.

Brief Message

Asked about its length, Hagerty said it will be about the length of last year's message which was "shorter than some have been." He added that "we'll be pleased if we can hold it down to 40 or 45 minutes."

Wednesday morning Presidential Assistant Wilton B. Persons will come to Gettysburg for a conference with the President on the State of the Union message. Weather permitting, he will come by helicopter. Otherwise he will drive, Hagerty said.

Asked about the President's plans for today, Hagerty said he had spent some time at the farm this morning and then the President had conferred with Washington by telephone. Mail and correspondence was to be cleared away by noon and then Hagerty said he expected the President will spend the remainder of the day "on the farm with David." He has no plans to leave the farm today, Hagerty added.

The next news conference was set for 4 p.m. when Hagerty said "there may be something on Alaska."

Cub Newsmen See
How It Is Done

Cub Scouts of Cashtown Den 4 of Fairfield Pack 76, who will undertake their first project in the January Cubbing theme, Cub Scout Newsmen, at their meeting next Monday, got some insight into the business of publishing a newspaper when they toured the editorial office and plant of The Gettysburg Times Monday.

On the tour, they were accompanied by their den mother, Mrs. Fred Slegal and Mrs. Patrick Barclay. Girl Scout Angelyn Slegal was a guest.

Den members on the tour were John Kuhn, Wayne Mickley, Tommy Kuhn, Eddie Kuhn, Andy Slegal, Charles Edward Carbaugh, Billy Hartman and David Barclay.

Local Man Named
'Soldier Of Month'

Pfc. John S. Wheeler Jr., 19, son of Mr. and Mrs. John Wheeler, 133 High St., recently was named "Soldier Of The Month" for the 9th Engineer Battalion in Neillingen, Germany.

A supply clerk in the battalion's Company B, Wheeler was selected for his "soldierly appearance, knowledge and performance of duties, and military courtesy."

He entered the Army in June 1957, completed basic training at Fort Carson, Colo., and arrived in Europe in November 1958.

Wheeler is a 1957 graduate of Gettysburg High School.

PLAN BOWLING MATCH

TRAVEL GROUP CONSIDERING NEW PLANS TO PROMOTE TOWN

Plans for a number of activities to publicize the community were outlined Monday evening at a meeting of the Gettysburg Travel Council at the VFW home, E. Middle St.

The group voted to cooperate with the Adams County Democratic Committee in the preparation of a float for the gubernatorial inaugural parade at Harrisburg. The Democrats will finance the float depicting Gettysburg as "Pennsylvania's Shrine." The idea has been submitted to the parade authorities for approval.

The possibility of sending tape recordings of a special Lincoln-Gettysburg program to radio stations for use February 12, the 150th birthday of Abraham Lincoln, was outlined. An effort will also be made to place Lincoln window displays in stores in Philadelphia, Washington and elsewhere at various times during the coming year.

Four stories concerning Gettysburg were approved for release to a press association which had asked such service. The council will seek descendants of Pennsylvania men who won medals of honor for valor during the Battle of Gettysburg in an attempt to have those descendants here for a reunion during the anniversary of the battle.

The council voted to continue urging borough council to consider the possibility of changing street names to names of Battle of Gettysburg heroes as new streets are named or street signs are replaced. Borough Council has already started such naming.

President Walter B. Lane reported on a talk on the work of the Travel Council given to the local Exchange Club.

Order New Folders

He added that similar talks are scheduled for the local Rotary and Kiwanis clubs and expressed the hope that more local organizations will invite the Travel Council to make a presentation of the Travel story at their meetings.

30,000 Gettysburg folders, costing \$1,020, are now being distributed. Preliminary approval was given to the wording of a new folder to be given to tourists outlining places to visit while here. 50,000 are to be printed at a cost of about \$1,000.

Secretary Carl Schutt reported cash and pledges received in the current fund campaign total \$5,328, with a number of members still to be contacted. Lane urged increased support of Travel Council to defray the costs of various promotional campaigns plus secretarial, mimeographing and printing costs.

Discuss Bypass

A lengthy discussion was held on the effect of an anticipated bypass of Gettysburg on Routes 15 and 30 on the tourist trade.

Henry M. Scharf said that the bypasses will "cut out the tourist who stops here only because he happens to be passing through. The experience of Valley Forge proves this. Unless people particularly want to go to a place they will not drive even a mile or two out of their way to see it."

Lane was asked to appoint a committee to consider "practical ways to make our community more attractive to potential tourists in order to make them want to come to Gettysburg."

President May Proclaim New State Here Saturday

President Eisenhower will issue a proclamation "before Monday" proclaiming the statehood of Alaska, the 49th state admitted to the Union, and will issue an executive order redesigning the flag to include 49 stars.

This announcement was made by James C. Hagerty, press secretary, at a press conference in the press room of the Hotel Gettysburg Monday afternoon at 4:15 o'clock. It is believed that the President may issue the proclamation on Saturday.

The new flag will become effective on July 4. The executive order will fix that date, according to law.

The committee which submitted the newly designed flag to the President included the secretaries of state, defense and interior, the quartermaster general, the chairman of the Finance Arts Com-

200 MASONS AT ANNUAL ST. JOHN'S DINNER

"Masonry and Americanism are closely linked," Gen. Willard S. Paul, president of Gettysburg College, told nearly 200 Masons at the annual St. John's Day banquet of Good Samaritan Lodge No. 336, Monday evening at the American Legion home.

Speaking on "Masonry and the Military," Gen. Paul traced his experiences in the Masonic orders while in the Army in which he enlisted in 1916 as a private. "Among the people I have served with," he said, "the great majority are Masons."

Speaking of Masonry in Russia, Gen. Paul stated, "When power is insecure, it fears the groups it cannot dominate. So it is with Russia."

Present Jewel, Pin

Dr. Harold Dunkelberger, grand chaplain of the grand chapter of Pennsylvania and assistant to Gen. Paul at Gettysburg College, introduced the speaker.

Edward Stine, retiring worshipful master of Good Samaritan Lodge, was presented with a past master's jewel, past master's pin and past master's apron by Paul G. Pensinger, district deputy grand master.

Newly elected officers were introduced: Charles E. Kuhn, worshipful master; George W. Glenn, senior warden; Henry M. Krick, junior warden; Ray J. Kitzmiller, secretary; Paul A. LeGore, representative in Grand Lodge, and Dr. Lloyd C. Keefe, P.M., and Arthur E. Hutchison, P.M., trustees. Kenneth W. Johns, who will serve as treasurer, and Eugene R. Hartman, a trustee, were unable to attend.

Appointed Officers

Appointed officers introduced were: chaplain, David Walker Woods Jr.; senior deacon, Donald D. Bucher; junior deacon, Allan R. Gray; senior master of ceremonies, George E. Helwig; junior master of ceremonies, William R. Fiske; tyler, John L. Bower; pursuivant, Radford H. Lippy, and stewards, S. Lester Scott and H. Merle Stultz.

Guests introduced included: Robert Miller, worshipful master of Patmos Lodge No. 348, Hanover, who introduced his lodge officers; and Rev. Archie Rohrbach, worshipful master of W. M. Hebron Lodge No. 465, New Oxford, who introduced his officers.

Others introduced included John Welker, district deputy grand master, District Three, and William R. Swisher, division commander of Division 16 of Knights Templars and principal of Fourth Masonic School of Instruction.

The invocation was given by Rev. Philip Bower and the Rev. Edmund L. Manges pronounced the benediction.

East Berlin Gets \$395 C-D Check

The State Council of Civil Defense announced today the mailing of a check to East Berlin for \$395.06 representing Civil Defense's share of the cost of a walkie-talkie radio communications system for use by the fire department of that borough for Civil Defense and fire services.

The amount was one of 50 checks to as many political subdivisions totaling \$42,965.10. So far this year the state Council of Civil Defense has provided \$694,902.72 in matching funds to various Pennsylvania townships and communities to purchase more than \$1,200,000 worth of equipment.

PLAN PARTY

The Adams County Senior Extension Club's New Year's Eve party will be held Wednesday evening beginning at 10 o'clock in the York Springs fire hall. There will be square dancing led by Fred Crouse, games and refreshments.

New Oxford Rural Mail Carrier Retires Dec. 31

Merrill A. Yohe, 58-year-old New Oxford rural mail carrier who will end 38 years' service Wednesday, is shown sorting mail upon his return to the post office in the square at New Oxford Monday afternoon. (Times Photo)

Tomorrow Merrill A. Yohe, 58, New Oxford R. 2, who has been carrying mail on rural routes out of the New Oxford postoffice for more than 38 years, will cover his 58-mile circuit for the last time.

He has elected optional retirement on December 31 after carrying the mail for Uncle Sam more than 900,000 miles or the equivalent of about 40 times around the world.

Serving under five postmasters, Mr. Yohe's services date back to the "horse and buggy" days of the rural free delivery service. When he started November 1, 1920, as the carrier on Route 4 out of New Oxford, he had a Model T and a horse and buggy. He used the car when the weather was good and the roads were fit but relied on horseflesh when the going got tough.

Car Frozen Fast

The roads are better now and the State Highway and township road crews do a much better job on snow removal than a few decades ago, Mr. Yohe said. He recalls one day when his car got so badly stuck in the mud near Five Points that he climbed out with the mail to get back to the postoffice on hitched rides and on foot. Next day, when he and his brother tried to pull the car out, it was frozen fast in the mud of the day before.

He recalls, too, when he had to abandon his auto in high water and wade with mail bags to higher ground in a flooded creek but there was never a day on duty in those 38 years that he did not cover all or part of his route despite weather conditions.

He does not choose to use some accumulated annual leave but is carrying the mail today and will make the rounds Wednesday, his final day. There are also some 350 days of accumulated and unused sick leave — more than 25 years' worth — that Mr. Yohe leaves on his record.

When Mr. Yohe started as a rural carrier, New Oxford had four routes. His Route 4 measured 26 miles and had 117 patrons' boxes. Now the 58-mile route has

496 stops. His cars did not have speedometers until 1926 but since then he has been averaging 25,000 miles a year on duty.

Theodore Warner was postmaster when Mr. Yohe got his appointment through the late Congressman Andrew Brodbeck. Other postmasters under whom he has served include Ralph Miller, Joseph Weaver, Chester Bower and now Mrs. Goldie M. Bower.

After Substitute Lawrence Sheely takes over for him in January, Mr. Yohe does not expect to have much trouble finding ways to occupy his time.

Time For Hobbies

He will devote more time to his hobbies of fishing, hunting, (Continued On Page 2)

ELECT KLUNK TO 2 POSTS AT BENDERSVILLE

Robert Klunk was elected secretary-treasurer of the Bendersville Borough Council at its meeting Monday night in the Bendersville National Bank building. He will succeed Clyde P. Orner, secretary, and Mrs. Myrtle Lerew, treasurer.

Council decided to combine the two offices in a move aimed at streamlining the conduct of the borough's business.

Following its custom of rotating offices, the council also elected Lloyd Bream president to succeed James F. Wright and elected Parker Koonz vice president. No change was made in legal counsel, Bigham and Raffensperger being retained. Mervin I. Rice was reappointed to his post as health officer.

Council also engaged in preliminary discussion of the 1959 borough budget.

Following adjournment, Burgess Leighton C. Taylor, members of council and borough employees went to Earle's Inn, near Gettysburg, for dinner. Attending were Taylor, Orner, Wright, Nelson Kane, Mervin I. Rice, Koonz, Ward B. Delap, Bream, Harry Lerew and Police Chief Chester Ogden.

VFW TO MEET

The local VFW post will meet tonight at 8 o'clock in the post home, Commander John Murray announced, calling on members to attend. The special session tonight is in lieu of the regular meeting omitted because of the Christmas holiday. Meetings of the home association and the board of directors will be held following the post meeting.

SCOUTERS TO MEET

The Black Walnut Boy Scout District Committee will meet Wednesday evening, January 7, at 6:30 o'clock at Banker's Restaurant along the Littlestown Rd., Charles E. Ritter, Littlestown, district chairman, announced today.

SKATING RINK MAY BE SET UP AT REC PARK

The possibility of providing an outdoor skating rink at the Recreation Park next year in cooperation with the Junior Chamber of Commerce was discussed at some length by members of the Gettysburg Recreation Board at its meeting Monday evening in the Recreation office in the Gettysburg High School.

The proposed plan would call for purchase of a large plastic pool about four inches in depth which would be placed over the tennis courts at the Recreation Park. Lights and music and a fire-place could be provided from park facilities.

Board President Kenneth Dengler said that ice skating accommodations are needed "because there is always a danger of streams and ponds, and the number of skating facilities available are becoming more and more limited."

Will Cost \$1,000

Whether the project, which will cost approximately \$1,000, will be carried out will depend to a large extent on the success of a similar installation this year at Newark, N. J. Local recreation officials have asked recreation officials there for reports on how the plastic pool serves as an ice skating rink.

Recreation Director Chester Hilger said that the local Jaycees have pledged assistance in raising the money needed to finance the project.

Hilger also reported that new basketball baskets and backboards are being placed at the high school to provide lower baskets for smaller youngsters to play the game. A league will be started in January for elementary school youths. The Optimist Club, he said, is planning to provide uniforms.

Pay Quarterly Bill

The board members attended the pre-New Year's dance sponsored by the recreation association at the high school cafeteria which 140 young people attended.

A letter from M. Hardy Nichols to borough council asking permission to construct a fence around the Little League field at the Recreation Park was turned over to the Recreation Board. Dengler was instructed to secure more information.

The first quarterly bill was received from the Gettysburg School Board for reimbursement to the school board for salaries paid the Recreation Director and other instructors. The amount for the period from October 1 to December 31 was \$856.

CITES WORK OF KIWANIS CLUB

The work of the Kiwanis Club during the year was outlined by Retiring President Herbert Hamme at a meeting of the club Monday evening at Banker's Restaurant.

Income from 31 penny gum dispensing machines in stores and on streets provided funds for underprivileged children and adults, Hamme said.

A rodeo and concert by the Elks Chorus of Hanover, "provided entertainment" and a "small profit" for the organization which also went into the charity fund.

Hamme expressed the appreciation of the club to the public for its support of the Christmas tree sale by members which "tripled the number sold a year ago." He also announced a "good sale" of ribbon candy during the Christmas season.

Thirteen members provided transportation for the distribution of more than 50 "food baskets" in cooperation with Explorer Post 79 immediately before Christmas. The cars traveled 350 miles through the county.

Hamme announced that Dr. D. L. Radsma will speak on Indonesia at the meeting next Monday at Banker's Restaurant.

Hoffa Takes First Step To Seize Control Of U.S.

NEW YORK (AP)—The Teamsters Union, bent on organizing the city's police force, plans to dramatize its drive by daily picketing of police headquarters beginning Jan. 12.

Henry Feinstein, Teamsters official, said the picketing is aimed at Police Commissioner Stephen P. Kennedy.

"We are going to give the commissioner a taste of the economic force and pressure of the Teamster Union," Feinstein said.

"His threat to fire policemen for joining the Teamster Union makes him unfair to our union and to all of organized labor."

Feinstein is leading a nationwide campaign to bring all policemen, firemen and other state, county and municipal workers into

Hamilton Funeral To Be Wednesday

Funeral services for Mrs. Adie Myrtle Hamilton, 81, widow of Robert Franklin Hamilton, formerly of Highland Twp., who died Monday at the Pine Mountain Home for the Aged where she had been a patient for 18 months, will be held Wednesday morning at 10 o'clock from the Bender Funeral Home, Carlisle St., with the Rev. Edwin Elliott and the Rev. Harry S. Ecker officiating. Interment will be in Evergreen Cemetery. Friends may call this evening from 7 to 9 o'clock at the funeral home.

2 MEN HURT IN BRIDGE CRASH ON ROUTE 15

Two men were injured Monday evening at 5:35 o'clock when two cars collided in a bridge over Rock Creek three miles north of here on the Harrisburg Rd.

State police said Leo C. Johnson, 62, Seven Stars, was headed south and sought to pass a southbound car operated by Clifford A. Brown, 68, of Rochester, N. Y.

Johnson, police said, was in the act of passing when the left side of his car struck the east side of the bridge wall. The impact hurled the Johnson car into the side of the Brown vehicle, and the Brown car then smashed into the west side of the bridge wall.

Taken To Hospital

The Gettysburg Fire Department ambulance removed Brown and a passenger in his car, Robert H. Wagner, 37, Freeport, N. Y., to the Warner Hospital.

Brown was treated for a broken nose, contusions of the body, a fractured right leg and lacerations of the face. Wagner had a laceration of the left knee.

Damage was estimated at \$170 to Johnson's 1957 sedan and \$500 to Brown's 1953 auto.

HARBOLD RITES ARE HELD TODAY

Largely attended funeral services were held this afternoon at 2 o'clock for Ervin Levi Harbold, York Springs R. 1, farmer and rural mail carrier, who died Saturday in the Hanover Hospital of auto accident injuries suffered December 18. The funeral was conducted at the Pittturf Funeral Home in York Springs.

The Rev. Calvin Cole, Bruce Anderson and the Rev. Norman L. Bortner officiated. Interment was made in Sunnyside Cemetery. The pallbearers were Paul Brouch, Paul Lerew, Paul Weigle, Kenneth Wilt, Miley Yohe and Clarence Stonestifer.

More than 600 attended the viewing Monday evening at the Pittturf Funeral Home.

There has not yet been any decision about which county will conduct an inquest into the Harbold death, if an inquest is held. The accident in which he suffered his fatal injuries occurred near Hampton in Adams County but he died in York County. District Attorney Daniel E. Teeter of Adams County and the district attorney of York County, Frank B. Boyle, are to confer on the matter.

The attorneys will attempt to resolve an apparent conflict between state law and a reported agreement reached at a recent coroner's convention on cases where the death occurs in a different county from that in which the fatal injuries were received.

COMPLETES TYPIST COURSE

Pvt. Ronald L. Hankey, 18, son of Mr. and Mrs. Roy R. Hankey, 19 Fifth St., recently completed the eight-week clerk typist course under the Reserve Forces Act program at the Army Army Training Center, Fort Knox, Ky. Hankey was graduated from Gettysburg High School in 1957 and was employed by the First National Bank of Gettysburg before going on active duty.

PRESIDENT TO GIVE MESSAGE TO CONGRESS JANUARY 9TH

President Eisenhower will go before Congress in person to deliver the annual State of the Union message at noon on Friday, January 9, Press Secretary James C. Hagerty told a morning news conference in the Hotel Gettysburg pressroom.

He emphasized that the message will not be a catalog of programs and recommendations but will be a review and summation of the "state of the nation and the state of the world" and will cover the important items as the President sees them. Specific recommendations on economic matters and budget will be held for later, special messages. The date for the budget message has not been set but should be known soon, Hagerty said.

The date for the State of the Union message was decided upon by the President after consultation with Congressional leaders in both houses, the newsmen were told.

Brief Message

Asked about its length, Hagerty said it will be about the length of last year's message which was "shorter than some have been." He added that "we'll be pleased if we can hold it down to 45 or 45 minutes."

Wednesday morning Presidential Assistant Wilton B. Persons will come to Gettysburg for a conference with the President on the State of the Union message. Weather permitting, he will come by helicopter. Otherwise he will drive, Hagerty said.

Asked about the President's plans for today, Hagerty said he had spent some time at the farm this morning and then the President had conferred with Washington by telephone. Mail and correspondence was to be cleared away by noon and then Hagerty said he expected the President will spend the remainder of the day "on the farm with David." He has no plans to leave the farm today, Hagerty added.

The next news conference was set for 4 p.m. when Hagerty said "there may be something on Alaska."

Cub Newsmen See How It Is Done

Cub Scouts of Cashtown Den 4 of Fairfield Pack 76, who will undertake their first project in the January Cubbing theme, Cub Scout Newsmen, at their meeting next Monday, got some insight into the business of publishing a newspaper when they toured the editorial office and plant of The Gettysburg Times Monday.

On the tour, they were accompanied by their den mother, Mrs. Fred Segal and Mrs. Patrick Barclay. Girl Scout Angelyn Segal was a guest.

Den members on the tour were John Kuhn, Wayne Mickle, Tommy Kuhn, Eddie Kuhn, Andy Segal, Charles Edward Carbaugh, Billy Hartman and David Barclay.

Local Man Named 'Soldier Of Month'

Pfc. John S. Wheeler Jr., 19, son of Mr. and Mrs. John Wheeler, 153 High St., recently was named "Soldier Of The Month" for the 94th Engineer Battalion in Neillingen, Germany.

A supply clerk in the battalion's Company B, Wheeler was selected for his "soldierly appearance, knowledge and performance of duties, and military courtesy."

He entered the Army in June 1957, completed basic training at Fort Carson, Colo., and arrived in Europe in November 1958.

Wheeler is a 1957 graduate of Gettysburg High School.

PLAN BOWLING MATCH

The Franklin County Senior Extension Club will be hosts for the local extension club bowling team January 17 at 9 p.m. in the Nellie Fox Bowling Alleys, Chambersburg. Club members who are participating should meet at the REA building at 8 p.m. that evening.

COMPLETES COURSE

John E. Brown, yeoman seaman, USN, son of James E. Brown, Gettysburg, has graduated from Naval Justice School, Newport, R. I. The school provides instruction for officers and enlisted personnel of the Armed Forces in the fundamental principles of military law and procedure.

STOCKS KEEP RISING

NEW YORK (AP)—The stock market's yearend rally continued early this afternoon in active trading.

The market was moving into record ground for the third straight session. Leading stocks were up fractions to more than a point.

GLOVE CLUE TO MISSING GROUP

PORTLAND, Ore. (AP) — A black cloth glove provided police with their lone lead as the search for a Portland family of five entered its fourth week today.

The glove was found Sunday on a highway shoulder near the site of an abandoned car about 45 miles east of here.

Police showed the glove to relatives, and one said it might have belonged to Mrs. Keri Martin, 48. Police planned to show it to more of the family's friends today.

Mrs. Martin, her husband, 54, and their three daughters vanished Dec. 7 after setting out in their car to find a Christmas tree. The girls are Barbara, 14; Virginia, 12; and Sue, 11.

Son in New York

In New York the Martins' only son, Donald, 28, said he was convinced his parents and sisters were dead.

Police said witnesses had reported seeing the abandoned car, reported stolen from Venice, Calif., parked along the highway near Cascade Locks since Dec. 8—the day after the family vanished.

It was in a check of that area where Martin had purchased

BOXING CHAMP IS ARRESTED

LOS ANGELES, AP — Officers arrested world welterweight boxing champion Don Jordan on suspicion of narcotics possession Sunday.

Four other young men in a car with him also were booked.

Jordan denied any knowledge of a freshly crushed marijuana cigarette butt which officer Robert Ludwig said he found on the floor of the back seat.

Jordan, 24, won the 147-pound crown Dec. 5 from Virgil Akins. Jordan was released later on \$1,000 bail.

HEROINE WON'T ACCEPT GIFT

STRATFORD, Conn. (AP) — Fifteen-year-old Alida Pettit couldn't accept the gift. Not from the church. Not from anybody.

Not while Herman Simmons lay in a hospital with his body covered with burns.

gasoline with a credit card Dec. 7—that the glove was found 15 feet from where the car was abandoned.

The gift was from the First Baptist Church. The congregation directed its pastor, the Rev. William O. Johnson, to present Alida with a new coat.

"I don't need a new coat. I don't want a new coat," she sobbed.

Alida, a 95-pound high school sophomore, leaped from her mother's car Saturday when Simmons' garbage truck overturned and burst into flames. She tugged at the 200-pound Simmons and helped him escape through a broken window. Then she took off her coat, a Christmas present, and smothered the flames covering his body.

The 36-year-old driver is in critical condition, burned over almost 60 per cent of his body.

Alida finally took the \$56. Then she donated it to the Herman Simmons Fund of the First Baptist Church.

"There is really nothing wrong with my coat," she said.

WM. ANTHONY, EX-HANOVER PRINTER, DIES

Funeral services will be held Wednesday afternoon at 2 o'clock from the Wetzel Funeral Home, Hanover, for William Anthony, 83, retired Hanover printer, who was the only man ever to establish a newspaper in McSherrystown.

Mr. Anthony, a local historian, died Sunday at York R. 7 after a lengthy illness. He is survived by his wife, Mrs. Lotta Zercher Anthony, Hanover, who, at the time of their marriage, was a compositor on the Littlestown Independent weekly newspaper.

Other survivors include a daughter, Mrs. Jesse Stambaugh, Spring Grove; two sons, Donald Z. Anthony, Hanover, and William Richard Anthony, Hollywood, Calif.; nine grandchildren; four great-grandchildren; a brother, Carl Anthony, Hanover, and two sisters, Mrs. Luther Plank, Gettysburg R. 1, and Mrs. Alvin Lync Laurel Springs, N. J.

Lifetime Printer
Rev. Dr. Nevin E. Smith will officiate at the funeral services Wednesday, and interment will be in Mt. Olivet Cemetery, Hanover. Friends may call at the funeral home in Hanover this evening.

A printer all of his life, Mr. Anthony published the "Union Advocate," first and only newspaper of McSherrystown for the Cigar-makers Union in 1901.

He was the prime-mover in placing a memorial to Mary Shaw Leader, pioneer Hanover newspaper woman who won fame for her coverage of Lincoln's Gettysburg Address; he was a participant in the placing of the Passenger Pigeon Stone in the Pigeon Hills commemorating the passing of the passenger pigeon which once populated the hills in great numbers; he published an illustrated volume on "The Battle of Hanover," narrating the events in Hanover when cavalry clashed during the Gettysburg campaign, and had a hand in placing a marker in Hanover at the spot where Lincoln halted briefly en route to Gettysburg in 1863.

New Oxford

(Continued From Page 1)
gardening and photography and for his wide assortment of community jobs. He is president of the New Oxford Lions Club and secretary of the Hebron lodge of the Masons.

For 22 years he has been active in Boy Scout work and since 1942 has been Scoutmaster for Boy Scout Troop 85 of New Oxford. He expects to withdraw as Scoutmaster soon but will continue to serve as a neighborhood commissioner.

Scouting has brought him such awards as the Silver Beaver and the Scoutmaster's Key and sent him to the International Scout Jubilee in England last year. He also went to two National Scout Jamborees at Valley Forge in 1950 and 1957.

Son in Marines
Before Scouting took so much of his time, he was a Sunday School teacher and superintendent of the Sunday School at the First Lutheran Church at New Oxford. He has been a member of the Adams County Rural Letter Carriers' Association since 1920 and for a number of years was its secretary.

Mr. Yohe has one son, Merrill Jr., now serving with the United States Marines at Parris Island. He graduated from Gettysburg College last year and has his sights set on a career in law when he finishes his tour with the Marines.

MENTIONED IN MAGAZINE

The Gettysburg Symphony Orchestra is mentioned in the December issue of the "International Musician." This monthly publication is sent to musicians in the United States and Canada who are members of the American Federation of Musicians and to others interested in their activities. TRAVEL GROUP
CONSIDERING
NEW PLANS TO
PROMOTE TOWN

Plans for a number of activities to publicize the community were outlined Monday evening at a meeting of the Gettysburg Travel Council at the VFW home, E. Middle St.

The group voted to cooperate with the Adams County Democratic Committee in the preparation of a float for the gubernatorial inaugural parade at Harrisburg. The Democrats will finance the float depicting Gettysburg as "Pennsylvania's Shrine." The idea has been submitted to the parade authorities for approval.

The possibility of sending tape recordings of a special Lincoln-Gettysburg program to radio stations for use February 12, the 150th birthday of Abraham Lincoln, was outlined. An effort will also be made to place Lincoln window displays in stores in Philadelphia, Washington and elsewhere at various times during the coming year.

Release Publicity

Four stories concerning Gettysburg were approved for release to a press association which had asked such service. The council will seek descendants of Pennsylvania men who won medals of honor for valor during the Battle of Gettysburg in an attempt to have those descendants here for a reunion during the anniversary of the battle.

The council voted to continue urging borough council to consider the possibility of changing street names to names of Battle of Gettysburg heroes as new streets are named or street signs are replaced. Borough Council has already started such naming.

President Walter B. Lane reported on a talk on the work of the Travel Council given to the local Exchange Club.

Order New Folders

He added that similar talks are scheduled for the local Rotary and Kiwanis clubs and expressed the hope that more local organizations will invite the Travel Council to make a presentation of the Travel story at their meetings.

30,000 Gettysburg folders, costing \$1,020, are now being distributed. Preliminary approval was given to the wording of a new folder to be given to tourists outlining places to visit while here. 50,000 are to be printed at a cost of about \$1,000.

Secretary Carl Schutt reported cash and pledges received in the current fund campaign total \$5,328, with a number of members still to be contacted. Lane urged increased support of Travel Council to defray the costs of various promotional campaigns plus secretarial, mimeographing and printing costs.

Discuss Bypass

A lengthy discussion was held on the effect of an anticipated bypass of Gettysburg on Routes 15 and 30 on the tourist trade.

Henry M. Scharf said that the bypasses will "cut out the tourist who stops here only because he happens to be passing through. The experience of Valley Forge proves this. Unless people particularly want to go to a place they will not drive even a mile or two out of their way to see it."

Lane was asked to appoint a committee to consider "practical ways to make our community more attractive to potential tourists in order to make them want to come to Gettysburg."

Charge 2 Motorists
On Traffic Counts

State police filed two charges against Charles F. Green, Waynesboro, before Justice of the Peace Roy E. Metz, Hamiltonban Twp. Green was charged with failure to stop at a stop sign and driving without an operator's license. The violations occurred in Liberty Twp.

A 10-day notice was sent by Justice Metz to Richard L. Kemper, Fairfield R. 1, on state police charges of speeding in Virginia Mills, Hamiltonban Twp.

TO SHOW GRAHAM FILM

"Fire on the Heather," a feature-length motion picture produced by Evangelist Billy Graham, will be shown at the North East Zone Christian Education Rally January 3 at 7:30 p.m. in the Heidersburg United Brethren Church. It is the story of Scotland's struggle against internal and external tyranny in her efforts to remain a Christian country. The film is climaxed with scenes from the Billy Graham Crusade for Christ in Glasgow.

Mother Starves
Baby To Death

AUSTIN, Tex. (AP) — Officers said a 4-year-old boy who weighed only 24 pounds died of malnutrition here Monday. They said they found two of his sisters about to starve to death.

The boy, Wilborn Rowe Battise, was dead on arrival at a local hospital.

Detectives quoted the victim's mother, Laverne Syles-tine, 24, as saying the boy had been on a diet of "beans and bread for breakfast, nothing for lunch, beans and bread for supper and plenty of water."

Officers said the sisters, ages 6 and 2, were so weak they could hardly stand.

The mother and her male companion, who brought the boy to the hospital, were jailed on vagrancy charges.

HARRISBURG
MAN HURT IN
CRASH TODAY

George Hooper, 43, Harrisburg, was injured this morning at 11:15 o'clock when his car and a truck operated by Edward Spence, 20, Fairfield, collided at the intersection of Baltimore and Middle Sts.

Borough police estimated damage to Hooper's car at \$1,200. They said the crash occurred as Spence, traveling east on W. Middle St., entered the intersection and his truck collided with the side of the northbound auto. Police said the green light on the traffic signal at the intersection favored Spence.

Spence apparently had originally planned to turn north on Baltimore St. from W. Middle, but when the auto continued through the intersection in his path, he attempted to straighten his truck to avoid the crash.

The impact hurled the new sedan against the traffic light pillar at the Minter's store corner of the intersection, damaging the rear of the car and slightly bending its position around the pole.

The truck was relatively undamaged. The H. and H. Machine Shop tow truck pulled the auto from its position around.

The Gettysburg Fire Department ambulance removed the driver to the Warner Hospital where he was found to have suffered cerebral concussion. He was admitted for observation.

200 MASONS
AT ANNUAL ST.
JOHN'S DINNER

"Masonry and Americanism are closely linked," Gen. Willard S. Paul, president of Gettysburg College, told nearly 200 Masons at the annual St. John's Day banquet of Good Samaritan Lodge No. 226, Monday evening at the American Legion home.

Speaking on "Masonry and the Military," Gen. Paul traced his experiences in the Masonic orders while in the Army in which he enlisted in 1916 as a private. "Among the people I have served with," he said, "the great majority are Masons."

Speaking of Masonry in Russia, Gen. Paul stated, "When power is insecure, it fears the groups it cannot dominate. So it is with Russia."

New Oxford Rural Mail
Carrier Retires Dec. 31

Merrill A. Yohe, 58-year-old New Oxford rural mail carrier who will end 38 years' service Wednesday, is shown sorting mail upon his return to the post office in the square at New Oxford Monday afternoon.

Tomorrow Merrill A. Yohe, 58, New Oxford R. 2 who has been carrying mail on rural routes out of the New Oxford postoffice for more than 38 years, will cover his 58-mile circuit for the last time.

He has elected optional retirement on December 31 after carrying the mail for Uncle Sam more than 900,000 miles or the equivalent of about 40 times around the world.

Serving under five postmasters, Mr. Yohe's services date back to the "horse and buggy" days of the rural free delivery service. When he started November 1, 1920, as the carrier on Route 4 out of New Oxford, he had a Model T and a horse and buggy. He used the car when the weather was good and the roads were fit but relied on horseflesh when the going got tough.

Car Frozen Fast

The roads are better now and the State Highway and township road crews do a much better job on snow removal than a few decades ago, Mr. Yohe said. He recalls one day when his car got so badly stuck in the mud near Five Points that he climbed out with the mail to get back to the postoffice on hitched rides and on foot. Next day, when he and his brother tried to pull the car out, it was frozen fast in the mud of the day before.

He recalls, too, when he had to abandon his auto in high water and wade with mail bags to higher ground in a flooded creek but there was never a day on duty in those 38 years that he did not cover all or part of his route despite weather conditions.

He does not choose to use some accumulated annual leave but is carrying the mail today and will make the rounds Wednesday, his final day. There are also some 350 days of accumulated and unused sick leave — that Mr. Yohe leaves on his record.

When Mr. Yohe started as a rural carrier, New Oxford had four routes. His Route 4 measured 26 miles and had 117 patrons' boxes. Now the 58-mile route has 496 stops. His cars did not have speedometers until 1926 but since then he has been averaging 25,000 miles a year on duty.

Theodore Warner was postmaster when Mr. Yohe got his appointment through the late Congressman Andrew Brodbeck. Other postmasters under whom he has served include Ralph Miller, Joseph Weaver, Chester Bower and now Mrs. Goldie M. Bower.

After Substitute Lawrence Sheely takes over for him in January, Mr. Yohe does not expect to have much trouble finding ways to occupy his time.

ELECT KLUNK
TO 2 POSTS AT
BENDERSVILLE

Robert Klunk was elected secretary-treasurer of the Bendersville Borough Council at its meeting Monday night in the Bendersville National Bank building. He will succeed Clyde P. Orner, secretary, and Mrs. Myrtle Lerew, treasurer.

Council decided to combine the two offices in a move aimed at streamlining the conduct of the borough's business.

Following its custom of rotating offices, the council also elected Lloyd Bream president to succeed James F. Wright and elected Parker Koonitz vice president. No change was made in legal counsel, Bigham and Raffensperger being retained. Mervin I. Rice was reappointed to his post as health officer.

Council also engaged in preliminary discussion of the 1959 borough budget.

Following adjournment, Burgess Leighton C. Taylor, members of council and borough employees went to Earle's Inn, near Gettysburg, for dinner. Attending were Taylor, Orner, Wright, Nelson Kone, Mervin I. Rice, Koonitz, Ward B. Dolan, Bream, Harry Lerew and Police Chief Chester Ogden.

SKATING RINK
MAY BE SET UP
AT REC PARK

The possibility of providing an outdoor skating rink at the Recreation Park next year in co-operation with the Junior Chamber of Commerce was discussed at some length by members of the Gettysburg Recreation Board at its meeting Monday evening in the Recreation office in the Gettysburg High School.

The proposed plan would call for purchase of a large plastic pool about four inches in depth which would be placed over the tennis courts at the Recreation Park. Lights and music and a fire-place could be provided from park facilities.

Board President Kenneth Dengler said that ice skating accommodations are needed "because there is always a danger of streams and ponds, and the number of skating facilities available are becoming more and more limited."

Will Cost \$1,000

Whether the project, which will cost approximately \$1,000, will be carried out will depend to a large extent on the success of a similar installation this year at Newark, N. J. Local recreation officials have asked recreation officials there for reports on how the plastic pool serves as an ice skating rink.

Recreation Director Chester Higer said that the local Jaycees have pledged assistance in raising the money needed to finance the project.

Higer also reported that new basketball baskets and backboards are being placed at the high school to provide lower baskets for smaller youngsters to play the game. A league will be started in January for elementary school youths. The Optimist Club, he said, is planning to provide uniforms.

2 MEN HURT IN
BRIDGE CRASH
ON ROUTE 15

Two men were injured Monday evening at 5:35 o'clock when two cars collided in a bridge over Rock Creek three miles north of here on the Harrisburg Rd.

State police said Leo C. Johnson, 62, Seven Stars, was headed south and sought to pass a southbound car operated by Clifford A. Brown, 68, of Rochester, N. Y.

Johnson, police said, was in the act of passing when the left side of his car struck the east side of the bridge wall. The impact hurled the Johnson car into the side of the Brown vehicle, and the Brown car then smashed into the west side of the bridge wall.

Taken To Hospital

The Gettysburg Fire Department ambulance removed Brown and a passenger in his car, Robert H. Wagner, 37, Freeport, N. Y., to the Warner Hospital.

Brown was treated for a broken nose, contusions of the body, a fractured right leg and lacerations of the face. Wagner had a laceration of the left knee.

Damage was estimated at \$170 to Johnson's 1957 sedan and \$300 to Brown's 1953 auto.

HARBOLD RITES
ARE HELD TODAY

Largely attended funeral services were held this afternoon at 2 o'clock for Ervin Levi Harbold, York Springs R. 1, farmer and rural mail carrier, who died Saturday in the Hanover Hospital of auto accident injuries suffered December 18. The funeral was conducted at the Pittenuff Funeral Home in York Springs.

The Rev. Calvin Cole, Bruce Anderson and the Rev. Norman L. Bortner officiated. Interment was in Sunnyside Cemetery. The pallbearers were Paul Brough, Paul Lerew, Paul Weigle, Kenneth Wilt, Miley Yohe and Clarence Stonestier.

More than 600 attended the viewing Monday evening at the Pittenuff Funeral Home.

There has not yet been any decision about which county will conduct an inquest into the Harbold death, if an inquest is held. The accident in which he suffered his fatal injuries occurred near Hampton in Adams County but he died in York County, District Attorney Daniel E. Teeter of Adams County and the district attorney of York County, Frank B. Boyle, are to confer on the matter.

The attorneys will attempt to resolve an apparent conflict between state law and a reported agreement reached at a recent coroner's convention on cases where the death occurs in a different county from that in which the fatal injuries were received.

CITES WORK OF
KIWANIS CLUB

The work of the Kiwanis Club during the year was outlined by Retiring President Herbert Hamme at a meeting of the club Monday evening at Banker's Restaurant.

Income from 31 penny gum dispensing machines in stores and on streets provided funds for underprivileged children and adults, Hamme said.

A rodeo and concert by the Elks Chorus of Hanover, "provided entertainment" and a "small profit" for the organization which also went into the charity fund.

Hamme expressed the appreciation of the club to the public for its support of the Christmas tree sale by members which "tripled the number sold a year ago." He also announced a "good sale" of ribbon candy during the Christmas season.

Thirteen members provided transportation for the distribution of more than 50 "food baskets" in cooperation with Explorer Post 79 immediately before Christmas. The cars traveled 350 miles through the county.

Hamme announced that Dr. D. L. Radsma will speak on Indonesia at the meeting next Monday at Banker's Restaurant.

PRESIDENT TO
GIVE MESSAGE
TO CONGRESS
JANUARY 9TH

President Eisenhower will go before Congress in person to deliver the annual State of the Union message at noon on Friday, January 9. Press Secretary James C. Hagerty told a morning news conference in the Hotel Gettysburg pressroom.

He emphasized that the message will not be a catalog of programs and recommendations but will be a review and summation of the "state of the nation and the state of the world" and will cover the important items as the President sees them. Specific recommendations on economic matters and budget will be held for later, special messages. The date for the budget message has not been set but should be known soon, Hagerty said.

The date for the State of the Union message was decided upon by the President after consultation with Congressional leaders in both houses, the newsmen were told.

Brief Message

Asked about its length, Hagerty said it will be about the length of last year's message which was "shorter than some have been." He added that "we'll be pleased if we can hold it down to 40 or 45 minutes."

Wednesday morning Presidential Assistant Wilton B. Persons will come to Gettysburg for a conference with the President on the State of the Union message. Weather permitting, he will come by helicopter. Otherwise he will drive, Hagerty said.

Asked about the President's plans for today, Hagerty said he had spent some time at the farm this morning and then the President had conferred with Washington by telephone. Mail and correspondence was to be cleared away by noon and then Hagerty said he expected the President will spend the remainder of the day "on the farm with David."

He has no plans to leave the farm today, Hagerty added.

Tanker Breaks Up Off Ocean City, Md.

OCEAN CITY, Md., AP — Helicopters started airlifting crewmen to shore today from aboard an oil tanker broken in half and grounded off Maryland's Atlantic Ocean summer resort.

The helicopters sent out by the Coast Guard, Navy and Marines were bringing the shipwrecked sailors in two and three at a time.

All 47 crewmen aboard the Liberian tanker African Queen were reported safe and awaiting rescue.

The African Queen was on its way to Paulsboro, N. J., from Colombia, South America, with a cargo of crude oil. She radioed about dawn that she was breaking in half. At 8 a.m., she sent an SOS.

Today's Talk

COMPANIONSHIP

We accept companionship with-
out realizing its significance. We
are never so happy as when we
have a friend with us. I dislike
eating alone, traveling alone, and
being alone. I want someone for
greater and more intelligent than
myself to be with me. I have
learned that a good companion is
a blessing from Heaven!They used to call Col. Lind-
bergh "The Lone Eagle," but even
though this courageous flyer went
alone across the Atlantic, he
stated: "We did it!" That "We"
embodied a great deal. He had
his efficient plane, that he man-
aged to every detail. It became
a part of him the moment he left
with his great adventure, and he
had with him the great ocean, the
stars at night, and an abiding
faith and confidence in himself.He was not lonely, for the pray-
ers of millions went with him,
and I am sure that he understood.
I never was so lonely and
homesick as when I went away
from my small Iowa town to a
Kansas college where I was to
spend four years in study. But
that loneliness soon departed. I
had others who came from dis-
tant parts, and who were just as
lonely. Had I not met others,
as future companions, I fear I
might never have finished my
college course.New York seemed one of the
loneliest cities I had ever been in
upon my first of many visits, but
I am in New York today, and I
am sure I would have been as
lonely now had I not met and
lived scores who are now my
friends here. We live and aspire,
and look ahead where we have
companionship. It's everything.I have an interesting letter
shortly after his discovery of the
North Pole. A stranger asked one
of Peary's companions what he
thought about in that far, frozen,
undiscovered realm. "We did not
think," he replied. "Peary was
with us. HE did the THINKING
for us." HE did Peary in his letter
to me: "It was such 'iron men'
who made my discovery possible."Tomorrow Mr. Adams will talk

A BACHELOR TALKS

We quarreled; 'twas a trivial
thing,
Some oversight of mine,
perhaps,
A breach of etiquette I'd made,
Or let some social duty lapse.
At any rate, she jumped on me
And said I was the worst of
men,
And then she burst into tears and
sobbed:
"Don't ever speak to me
again."When lost for other thought, it
seems,
That is her only one recourse.
It is her view of punishment
That carries with it wondrous
force.All women are the same, I find,

Their bitterest of words are these:

FOR BRITISH
SECURITIES

By ALVIN STEINKOPF

LONDON (AP)—A strong world-
wide demand for British govern-
ment securities developed Monday
after weekend announcements by
10 West European nations that
foreigners holding their currencies
may convert them into any
kind of money.Government leaders generally
predicted the liberalizing of for-
eign exchange restrictions would
encourage wider trade.Investors grasped their first op-
portunity, on the opening of the
London Stock Exchange to
demonstrate confidence in the
state's securities. The freer pound,
now convertible into dollars at of-
ficial rates by all foreigners, stood
up well to other currencies.

Loan For Germany

It had sagged a little in the
first hours of trading.Freer convertibility of the ma-
jor European currencies seemed
to be off to a promising start. But
some doubts were expressed—
chiefly in France. There, with de-
valuation of the franc and an aus-
terity budget, the country faced a
more serious financial shakeup
than other lands.But the French position was re-
lieved somewhat by today's an-
nouncement it is receiving a 60-
million-dollar loan from West Ger-
many, and by reports that other
European states may come to
France's assistance.British businessmen, sorting out
the convertibility puzzle, were ex-
pecting no direct benefits but be-
lieved they will gain in the long
run because a freer pound should
give them a bigger share of world
trade.Until the change Monday, any-
one who sold goods to Britain for
pounds, for example, had to pay
more than the official rate to con-
vert these pounds into dollars.
West German marks or other cur-
rencies. As a result, such sellers
tended to restrict their own for-
eign buying to countries which
would accept pounds.

ARTILLERY BATTLE

TAIPEI (AP)—Nationalist de-
fenders of the Quemoy Islands
fought an artillery battle with the
Chinese Reds Monday, the De-
fense Ministry reported.The Reds initiated the action af-
ter having subjected the islands to
only light fire earlier in the day.
The Communists drubbed the is-
lands with 1,717 shells between
noon and 6 p.m., the ministry said.U.S. Army Engineers estimate

This Family's BibleJOHANNESBURG, South Africa
(AP)—The Rev. Jan Celliers
flipped through the pages of a big
family Bible searching Revela-
tion and the face of Elvis Pres-
ley looked out.To the Rev. Mr. Celliers, the
discovery of Presley's photograph
was the last straw.Lately he'd been coming across
pinup photographs of Marilyn
Monroe, Jayne Mansfield, and
other Hollywood stars stuck away
between the pages of other family
Bibles.Like other ministers of the Dutch
Reformed Church, he liked to
drop in at the houses of his con-
gregation in the coal mining com-
munity of Glencoe, Natal, for in-
formal Bible readings.Later, in a talk, he lashed out
at "this spurt of foreign debauch-
ery."CROSS BURNED
AT HOUSE SOLD
TO NEGROESDES MOINES, Iowa (AP)—The
Des Moines Human Rights Com-
mission, spurred by a cross burn-
ing Saturday, will hold a special
meeting this week to cope with
the city's housing integration
problems.The problem came into the open
when a cross of oil-soaked hay
was touched off on the lawn of a
Des Moines minister who had sold
his home to a Negro family.Malcolm Higgins, executive sec-
retary of the commission, said a
meeting will be held in the next
day or two to discuss recom-
mendations to the City Council.

Family Displaced

The Rev. Ian J. McCrae, minis-
ter of education at University
Christian church, sold his home to
Mr. and Mrs. Harold Carr, a Ne-
gro couple displaced by the Des
Moines Freeway.While the Rev. Mr. McCrae was
out of town Saturday, the flaming
cross was touched off on the front
lawn of the home. His wife, three
children and his mother were in
the house.

Express Indignation

Most neighbors of the Rev. Mr.
McCrae expressed indignation
over the burning of the cross.The McCraes said they sold their
home to the Carrs because
"we understand that Negro fam-
ilies are not allowed to buy homes
anywhere they want to in Des
Moines the way we are."Carr and his wife are both 43.
He is a storekeeper at Solar Air-
craft Co., and served with the
Coast Guard during World War II.DOUBLE RAISE
IN GAS TAXES
HELD LIKELYHARRISBURG (AP)—Construc-
tion and preparations for many
miles of new highways in the
state plus maintenance of roads
already built add up to a possible
higher price for gasoline in Pen-
nsylvania.Motorists—already worried over
the fact that the newer cars seem
to be using more gallons—face
the possibility of a double-barreled
increase in the price of fuel in
1959.An increase in the three-cent
federal tax is a possibility and it's
even more likely that the state's
five-cent tax will be raised.

Need More Money

Lewis M. Stevens, secretary of
highways, said some months ago
an increase in the gasoline tax is
needed to finance the state's road-
building program. Gov.-elect Day
L. Lawrence supported this view
in his campaign for governor.State officials will not say how
much an increase is contem-
plated to pay the state's share of
the new highways to be built and
the other highways projects.The Highways Department has
made an estimate of spending for
the 1959-61 biennium, but no one
in the outgoing Lawrence Adminis-
tration or the incoming Lawrence
administration will say what the
estimate is.It is expected to be higher, how-
ever, than the 400 million dollars
estimated as the total for high-
ways during the biennium ending
next May 31.Pay Checks To Be

Denazification Court Monday or-
dered Hitler's economics minister,
Walter Funk, to pay a fine of 10-
900 marks—\$2,594—for his Nazi ac-
tivities.The court said the fine was
equal to the value of the property
—bank accounts—which Funk still
has in West Berlin.Funk has lived in Frankfurt,
West Germany, since 1957 when
he was released from Spandau
war crimes prison for health rea-
sons.NEGRO PASTOR
RETIRES FROM
WHITE CHURCHSTAFFORD, Conn. (AP)—Eight
years ago, the Rev. Dr. Roland
R. Heacock created a stir when
he became pastor of the Stafford-
ville Congregational Church.Dr. Heacock is a Negro. The
congregation at the century-old
church is all white.Dr. Heacock retired Sunday. He
will be 65 Tuesday. He looked out
at his congregation, which has
grown in the past eight years, and
said: "We have exerted a strong
and wholesome influence in the
field of race relations, particu-
larly in the Christian church. . . . We
are glad that we had a part in
this good work."

Going To Little Rock

In his farewell sermon, the pas-
tor recalled his arrival in 1950.The event was flashed
across the nation in newspapers,
radio and television as big news,"
he said."Today many churches have fol-
lowed our example and called Ne-
gro pastors to serve their needs
and integrate their membership."Now that he's retiring, Dr. Hea-
cock isn't going to quit working.
He plans to lecture to the Little
Rock, Ark., First Congregational
Church in March. Later he will
speak at Montgomery, Ala.imum check for a retired man and
his wife, both past 65, will climb
from \$162.80 to \$174 monthly.

the Celtic monk from Ireland who
colonized it about the 6th century.

Historically Right

Amateur archaeologist Huston
believes St. Molaise "is historical-

DR. V. SWENSON GUEST SPEAKER FOR MISSION

The Rev. Dr. Viggo Swensen, Harrisburg, will be the guest minister for the annual preaching mission in Littlestown next week, Monday through Friday evenings, January 5-9.

The Rev. Dr. Swensen was born in Norway and came to the United States at the age of five. He attended public schools in Brooklyn, N. Y., and while working in the shipyards, attended

DR. SWENSON

night school in preparation for civil engineering; worked also at the Brooklyn-Edison Utility Company and for an engineering firm in the New York area.

Upon deciding to enter the Christian ministry, he came to Gettysburg, where he graduated from Gettysburg College in 1931 with the degree of Bachelor of Arts. At college, he was a member of the varsity debating team and was elected to Phi Beta Kappa, the National Scholastic Honorary Society. Dr. Swensen graduated from Gettysburg Theological Seminary in 1934 with the Bachelor of Divinity degree, and was awarded the honorary Doctor of Divinity degree by Gettysburg College in 1951.

Announces Topics
He served pastorates in Narrowsburg, N. Y., and Syracuse, N. Y. At present, he is pastor of Zion Lutheran Church, Harrisburg. He is a member of the Board of Foreign Missions of the United Lutheran Church in America and led the Evangelism Preaching Mission in British Guiana in 1956. Dr. Swensen is married to the former Martha Siegler, of Syracuse, N. Y., and they are the parents of three children, Robert, Thomas and Nancy.

The Preaching Mission is arranged by the Littlestown Ministerium and the public is invited to attend all of the services, each evening at 7:30 p.m. in St. Paul's Lutheran Church. The local pastors will preside for the worship and the choir from the church whose pastor is in charge will lead the singing.

The Rev. Dr. Swensen has announced his sermon topics for each evening as follows: Monday, January 5, "The Church Is People"; Tuesday, "The Church Is Worship"; Wednesday, "The Church Is Sharing"; Thursday, "The Church Is Helping"; Friday, January 9, "The Church Is Believing." At the assembly program on Wednesday afternoon, January 7, in the Littlestown Junior-Senior High School, Dr. Swensen will speak to the student body on the theme "The Church Is Fun."

A modern building to house a restaurant and apartments will be erected on the site of the Glenville Hotel, destroyed in a Christmas night fire, according to Mr. and Mrs. Edward Kuhn, owners. They said that work on the structure will be started as soon as plans can be made.

Meanwhile, Sergeant E. M. (Jack) Arms, of the state fire marshal's office, and W. B. Krout, Glen Rock fire chief, said, following an investigation, that the blaze apparently started in an overheated chimney between the second and third floors of the 16-room hotel. Krout said today that damage from the fire would exceed \$50,000.

The 60-year-old hotel was located in the center of Glenville, about five miles southwest of Glen Rock.

YORK COUNTY
An average of 1,826 families per month were assisted by the recession-spurred surplus food program during the first 10 months of its existence, according to Col. William H. Crawford, county CD director.

In a report to county commissioners yesterday, Crawford stated that of 592,060 pounds of surplus food given York County by the federal government through the state, a total of 528,456 pounds has been distributed.

News From Nearby Counties

FRANKLIN COUNTY

A Fayetteville woman was seriously burned Sunday when an oven exploded just as she bent over to light it.

Mrs. Peixie Shaw was taken to the Chambersburg Hospital with second-degree burns of the face, hands, arms, knees and legs.

Her condition Monday was listed as "fairly good."

An accident on the Waynesboro-Chambersburg Rd. is the basis of a \$1,200 damage suit filed Saturday at the Franklin County court house by Edward J. Barnhart, Chambersburg R. 5.

He named Wilbur F. Hess, St. Thomas R. 1, as the defendant on grounds of "negligence."

The accident occurred September 21, 1957, and caused \$732 damage to the Barnhart vehicle.

A puzzling series of calls to the Waynesboro Welfare Association has prompted Mrs. Evelyn H. Mussey, director, to announce that the association is not soliciting food and clothing.

She said that she has been receiving calls to make pickup collections from several sections of town.

The association officials reported they had been informed that a house-to-house canvass is being made by persons unauthorized by the welfare group.

YORK COUNTY
Apprehended after a 90-mile-per-hour chase through Dallastown Friday, two York R. 2 teen-age motorists face speeding charges before Dallastown Burgess John J. Carbon, Patrolman Charles E. Gross reported.

Gross said he and Officer Stuart E. Garner saw the two cars traveling "neck and neck" on a borough street about 10:15 p.m. and pursued them along the Jacobus Rd. to four miles southwest of the borough where the one motorist stopped after the officers fired two shotgun blasts into the air. The second boy eluded the officers, Gross said, but was apprehended when he returned to the scene of the other boy's arrest. Both boys will also be summoned to appear before Justice of the Peace W. W. Winemiller, York Twp., on reckless driving counts, Gross said.

WASHINGTON COUNTY
Two men convicted of bookmaking, Fred Foltz, 45, and Richard Crouse, 42, both of Hagerstown, were fined \$1,000 each. Foltz was given four months in the House of Corrections, and Crouse was given six months in the House of Correction.

It was the second conviction of bookmaking for Foltz and the third for Crouse, and Judge D. K. McLaughlin said that when they had been previously convicted they had been admonished that if they were convicted again they would be given terms.

Both men had been arrested by Hagerstown police after a lengthy investigation.

The Washington County commissioners set the 1959 county tax rate of \$1.89—the same as this year—and ordered \$170,000 slashed from the board of education budget.

The commissions also cut \$40,000 from the proposed road department budget—reducing it to \$150,000 for next year.

ADVERTISE IN THE TIMES

Firemen Respond To 2 Fire Alarms

Biglerville and Bendersville firemen were called at 3 o'clock this morning to a chimney fire at the Red Rock farm of Frederick E. Griest Sr., near Flora Dale. The home is tenanted by the J. C. Cotton family. Biglerville Fire Chief Sterling Roth reported slight damage.

Biglerville firemen were called Monday morning at 7:30 o'clock to a grass fire at the farm of Mike Wertz, on the Biglerville-Heidersburg Rd. The fire threatened outbuildings and charred several poultry shelters but was brought under control before any extensive damage was done.

Reckless Driving Charge Is Filed

A reckless driving charge was filed against Lawrence F. Myers, 40, McSherrystown, after his car struck an automobile owned by Mrs. Ralph Long, Hanover, parked in Hanover, at 8:20 p.m. Sunday.

Police said Mrs. Long had just entered her vehicle when it was sideswiped by the Myers car, moving north on Carlisle St. Damage was estimated at \$250 to the car driven by Myers and \$200 to the Long vehicle.

The information was lodged before Justice of the Peace George A. Lippy.

Dan Sachs, Princeton halfback, twice scored three touchdowns in one game in 1957. As a sophomore he did it against Cornell and then against Harvard.

Warriors Meet Hanover Here Tonight In SP Game; Jayvees To Meet At 6:45

Gettysburg High and Hanover will both be out to snap losing streaks when they meet here this evening in a South Penn Basketball League game.

The Warriors are 2-3 overall after bowing to Carlisle and the Alumni while Hanover is 3-3 following three reverses in a row. In South Penn play Gettysburg is 1-1 and Hanover 0-2.

Nighthawk coach Fred Kreuter has only Gary Ampsacher, 6-3, left from the starting team of last season which won the second half title before bowing to Carlisle 59-52 for the league championship. Ampsacher is tied with Brian Jacobs, Chambersburg, in the league scoring with 50 points each.

Hawks Taller

Once again the Warriors will be forced to overcome a height disadvantage. John Cromer 6-4 and Marlin Dutterer 6-2 will combine with Ampsacher to give the Hawks good rebounding potential.

The remainder of the varsity squad includes the following: Ted Kehr 6-0, Jim Heilman 5-9, Jim Riddle 5-9, Dick Hamm 5-10, Curvie Bankert 5-10, Larry Hart 5-7, Hen Mowery 5-7, and Mike Rice 6-1.

Hanover started the season with three straight victories, defeating Delone 43-22 and 49-48, and York 41-37. The Hawks followed with three straight losses, 58-52 to Lancaster, 56-53 to Waynesboro and 57-55 to Middletown.

The Warriors, who opened their league campaign with a 50-41 win at Hershey, bowed last week to unbeaten Carlisle and to a good Alumni outfit. They have shown well at times and have their sights set on a first division berth.

At 6:45 the jayvees team will meet. Bob Nicholson's scrubs won three straight before losing in double overtime to Carlisle last week.

"Crucial" Game

The big game in South Penn league tonight will be played at Chambersburg where the Trojans meet unbeaten Carlisle. Chambersburg (5-1) is given the best chance to unseat the Herd (7-0) as league champs. Chambersburg and Carlisle are currently in a triple tie with Waynesboro for first place with 2-0 records. Waynesboro has a non-conference engagement tonight with North Hagerstown.

Completing the league schedule tonight will be Hershey at Mechanicsburg and Shippensburg at Middletown.

Fairfield and New Oxford are the only other county teams having games tonight. Fairfield (2-2) clashes with the Alumni, while New Oxford (1-3) is host to Dover.

SUGAR BOWL FIELD HEAVY

NEW ORLEANS, La. (AP)—Clemson isn't banking on any help from the weatherman against Louisiana State's national champions in the Sugar Bowl New Year's Day. But it's no secret a wet field will impede the speedy Bayou Bengals.

Forecasters said they don't expect any rain on the 82,000 fans Thursday, but heavy showers were on tap for today and Wednesday and a heavy field probably will greet the teams.

Coach Frank Howard had his Clemson squad working out in mild, springlike weather at Biloxi, Miss., Monday. The balding veteran of 19 seasons at Clemson said — perhaps with tongue in cheek — he hoped the good weather will last.

Coach Paul Dietzel of undefeated LSU had little comment on the weather. One of his toughest reg-

CLEAR CHAMP IN DOPE CASE

LOS ANGELES (AP)—Don Jordan, world welterweight champion, has been cleared by the district attorney's office in a narcotics possession case.

Jordan and four others were arrested Sunday in a car in which police said they found a smoldering marijuana cigarette.

The newly crowned 147-pound champ, who won his title by beating Virgil Akins, denied any knowledge of the cigarette. "If I had known there was any marijuana in that car I wouldn't have been riding in it," he said.

The district attorney's office also declined to issue complaints against three others in the car: boxer Javier Sanchez, 24, Mexico; Pete Padilla, 19, driver, and George Chavez, 21, a fourth youth, Richard Holguin, 18, who will be charged with narcotics possession, the district attorney said.

DON'T FEEL TOO SORRY FOR AF TEAM VS. TCU

DALLAS (AP)—The consensus is that you shouldn't feel too sorry for "little" Air Force Academy in its battle with big Texas Christian in the Cotton Bowl Thursday.

Manpower may not have anything to do with it and if it does Air Force seems to have enough to take care of the situation.

Coach Ben Martin is using the two-unit system and plans to continue it in the Cotton Bowl. Even against Iowa, the strongest team played during the season, he was able to substitute by the clock. That was the day Air Force fought the mighty Hawkeyes to a 13-13 tie.

Thus, any idea that Texas Christian, which is a bulky three deep and plays it second and third teams almost as much as the first, will overpower Air Force might not hold water.

Coach Abe Martin of Texas Christian wouldn't say he thought reserve strength would be the major point — he merely declared that "I think the second team will have a lot to do with this game."

Martin said he figured TCU should be favored because it is deeper. But he also pointed out that his well-conditioned team didn't need too much substituting.

Lee Petty Is Top NASCAR Driver

DAYTONA BEACH, Fla. (AP)—Lee Petty of Randleman, N. C., was the top driver of the NASCAR Grand National division with 12,232 points during 1958. The 200-pound Petty, 44, finished 644 points ahead of Buck Baker of Spartanburg, S. C. Glen (Fireball) Roberts, 29, led the NASCAR drivers in money won with \$38,405 while competing in 17 races during the year.

NAVY BEATEN BY KENTUCKY; COX GETS 23

By DON WEISS

Associated Press Sports Writer
Add St. John's (N.Y.), Oklahoma City, Dartmouth, Texas A&M, and Oregon State to the list of Christmas week tournament champions, but keep Kentucky on top in the reckoning for the team to beat in college basketball this season.

Adolph Rupp's Wildcats, who wrapped up their tournament package week ago in the Kentucky Invitational, ran their all-winning streak to nine Monday night with an 82-69 victory over Navy. Johnny Cox ripped in 23 points.

So far the Kentuckians are showing every indication they're able to follow up the championship they nailed in the NCAA Tournament last March, although Cox is the only holdover from the regular unit of a season ago.

W. Va. Wins
Their victory over Navy and Jerry West's 44-point show in fifth-ranked West Virginia's 76-72 decision over Tennessee were the only regular game developments to break through the rash of tournament competition.

No fewer than 16 major tournaments were in action and five crowned their champion. St. John's, behind a brilliant 33-point show by sophomore Tony Jackson, whipped St. Joseph's (Pa.) 90-79 in the ECAC Holiday Festival at New York's Madison Square Garden.

A Rude Host
Oklahoma City was rude host again, bagging its third All-College title at home by turning back Duke 75-59 in the final.

Dartmouth, with driving Chuck Kaufmann netting 22 points, won the Queen City Tournament at Buffalo 72-69 over Canisius.

Texas A&M downed Texas Christian 61-45 for the Southwest Conference Tournament title, and Oregon State won the Far West Classic at Corvallis, Ore., topping Iowa 72-71.

Mississippi, a 71-47 winner over Florida, meets LSU in the Gator Bowl windup at Jacksonville tonight. LSU beat Georgia 63-60 Monday night. Defending champion Memphis State and Mississippi State play for the Sugar Bowl championship in New Orleans. Memphis State nipped Loyola of the South 73-71, and Mississippi State dropped Maryland 56-45.

Finalists in Detroit
Detroit and Michigan are finalists at the Motor City Tournament in Detroit, Michigan after a 71-58 victory over Princeton and Detroit after a 98-87 decision over Army.

In the Richmond Invitational final, it's Richmond vs. Penn State. In the Hurricane tourney (the old Orange Bowl) in Miami, it's—appropriately enough—Miami of Ohio vs. Miami of Florida.

Kansas State, a 73-59 winner over Oklahoma, plays Colorado for the Big Eight Tournament title at Kansas City, and Utah State meets Ohio University for the All-American city title at Owensboro, Ky.

Finalists in the Providence College Invitational are Boston College and Colgate.

Giants In Semis
Four giants of the hardwoods have reached the semifinals in the tournament of tournaments — the power-packed Dixie Classic in Raleigh. It's Cincinnati against North Carolina State, and a pair of unbeaten, North Carolina against Michigan State.

Cincinnati, winning its sixth straight, whipped Wake Forest 94-70 in first-round play. Oscar Robertson scored 29 points.

North Carolina State went into overtime to nip Louisville 67-61, Michigan State battered Duke 81-57 and North Carolina, the defending champ, humbled Yale 92-65.

Unbeaten St. Francis (Pa.) and George Washington, Davidson and Fordham reached the semifinals of the Carrousel tourney at Charlotte, N.C. The Frankies beat Bucknell 73-65 and play Davidson, a 62-55 overtime winner over South Carolina. Fordham defeated Pitt 85-76 and George Washington clipped Clemson 72-53.

GEOFFRION CAN SET RECORDS

MONTREAL (AP)—If Bernie Boom Boom! Geoffrion, Montreal Canadiens' burly rightwinger, can keep up his present scoring pace he will be bidding for a couple of National Hockey League records at the end of the season.

The league's official statistics, released today, show the Boomer comfortably on top of the scoring parade with 48 points. He has scored 19 goals and collected 29 assists with the season one-game short of the midway mark.

Geoffrion needs 96 points to set one record and 5 assists to set another. The record for points is 96, made by Gordie Howe of the Detroit Red Wings in the 1952-53 season. The assists record for a season is 56. It was made by Bert Olmstead, now with the Toronto Maple Leafs, when with the Canadiens in the 1955-56 season.

The Boomer last week scored 1 goal and helped on 5 others to widen his margin over Andy Bathgate of the New York Rangers. Bathgate scored 1 goal and 1

Out Of The Past
From the Files of the

The Gettysburg Times
FIFTY YEARS AGO
General Local Jottings: T. H. and E. C. Keefer, administrators of George W. Keefer, dec'd, sold the real estate, containing 25 acres, on December 19, to J. R. Hantz for \$2,311. The personal property was sold the same day. Crawford Warren of this place and Raymond Hershey discovered a bee tree on the Abraham Hershey farm, near Tillie. They cut it down and secured 40 pounds of honey. Kready & Son have sold their property in Orrtanna to John D. Lochbaum on private terms. John Lentz sold his property in Franklin township of about 60 acres to William Chapman for \$525. Large part of tract is timber land. The Farmers' Institute will be held in Red-Men's Hall, East Berlin, on January 20th and 21st. Representative Pearce has introduced in Congress a bill appropriating \$4,000,000 for the construction of a boulevard from the District of Columbia to the Gettysburg Battlefield via the battlefield at Antietam, Md., in memory of Abraham Lincoln. Complaints are made that sharpers buying calves tell farmers that the authorities require a deduction of \$1 to be made in the price for inspection due to the prevalence of the foot and mouth disease. No Cattle Disease Here: Drs. H. W. Hawley, G. M. Otis, Frank Jelen, Charles A. Stewart, R. F. Eagle, A. F. Johnson, L. P. Beechey, A. McBride and J. S. Montague, delegated by the national government in conjunction with the state government, to inspect cattle in this section of York and Adams County, finished their work last week and report not having found a single case of hoof and mouth disease. Saved Wife, Baby And Home: Lewis Bloomberg, residing at Mt. Victory church, proved himself a hero on last Thursday afternoon when his home took fire and he saved the life of his wife and two-day-old baby. Mr. Bloomberg had just hitched up his team and was preparing to go to York Springs when he saw smoke issuing from the roof. Dashing into the house and up the stairs he found the chimney was on fire and the flames had spread to the floor of the garret and roof. With his wife confined to her room with a two-day-old baby and no help near, he was in a desperate place but decided he would make an effort to extinguish the flames which he finally accomplished with the assistance of his daughter. Cashtown Items: C. B. Hartman and J. E. Robert filled their ice houses with fine 8-inch ice last week. Camp No. 726, P.O.S. of A. of this place, elected the following officers for the ensuing term: Past President, Ernest Carnaugh; President, Edward J. Buecher; Vice President, Calvin Hahn; Master of Forms, Frank Hartman; Conductor, Clarence Andrew; Inspector, Charles Peppie; Outer Guard, Calvin Cluck; Financial Secretary, R. D. Bream; Recording Secretary, C. A. Hartman; Treasurer, C. B. Hartman; Trustee, C. A. Bream. D. A. Mickle, one of our leading merchants, who expects to go out business by spring, has purchased the Samuel Kuhn property, corner of Main street and Hoover avenue, into which he will move on retiring.

Today's Talk
COMPANIONSHIP
We accept companionship with out realizing its significance. We are never so happy as when we have a friend with us. I dislike eating alone, traveling alone, and being alone. I want someone for greater and more intelligent than myself to be with me. I have earned that, a good companion is a blessing from Heaven! They used to call Col. Lindbergh "The Lone Eagle" but even though this courageous flyer went alone across the Atlantic, he stated: "We did it!" That "We" embodied a great deal. He had his efficient plane, that he managed to every detail. It became a part of him the moment he left on his great adventure, and he had with him the great ocean, the stars at night, and an abiding faith and confidence in himself. He was not lonely for the prayers of millions went with him, and I am sure that he understood. I never was so lonely and homesick as when I went away from my small Iowa town to a Kansas college where I was to spend four years in study. But that loneliness soon departed. I had others who came from distant parts, and who were just as lonely. Had I not met others, as future companions, I fear I might never have finished my college course. New York seemed one of the loneliest cities I had ever been in upon my first of many visits, but I am in New York today, and I am sure I would have been as lonely now had I not met and loved scores who are now my friends here. We live and aspire, and look ahead where we have companionship. It's everything. I have an interesting letter from Admiral Peary, written shortly after his discovery of the North Pole. A stranger asked one of Peary's companions what he thought about in that far, frozen, undiscovered realm. "We did not think," he replied. "Peary was with us. HE did the THINKING for us." Said Peary in his letter to me: "It was such 'iron men' who made my discovery possible."

Tomorrow Mr. Adams will talk on the subject: "Stimulating People"

Just Folks
A BACHELOR TALKS
We quarreled; 'twas a trivial thing,
Some oversight of mine, perhaps,
A breach of etiquette I'd made,
Or let some social duty lapse.
At any rate, she jumped on me
And said I was the worst of men,
And then she burst into tears and sobbed:
"Don't ever speak to me again."
When lost for other thought, it seems,
That is her only one recourse.
It is her view of punishment
That carries with it wondrous force.
All women are the same, I find,
In all their quarrels with the men;
Their bitterest of words are these:
"Don't ever speak to me again."

BIG DEMAND FOR BRITISH SECURITIES
By ALVIN STEINKOPF
LONDON (AP)—A strong worldwide demand for British government securities developed Monday after weekend announcements by 10 West European nations that foreigners holding their currencies may convert them into any kind of money. Government leaders generally predicted the liberalizing of foreign exchange restrictions would encourage wider trade. Investors grasped their first opportunity, on the opening of the London Stock Exchange to demonstrate confidence in the state's securities. The freer pound, now convertible into dollars at official rates by all foreigners, stood up well to other currencies. Loan For Germany It had sagged a little in the first hours of trading. Freer convertibility of the major European currencies seemed to be off to a promising start. But some doubts were expressed—chiefly in France. There, with devaluation of the franc and an austere budget, the country faced a more serious financial shakeup than other lands. But the French position was relieved somewhat by today's announcement it is receiving a 60-million-dollar loan from West Germany, and by reports that other European states may come to France's assistance. British businessmen, sorting out the convertibility puzzle, were expecting no direct benefits but believed they will gain in the long run because a freer pound should give them a bigger share of world trade. Until the change Monday, anyone who sold goods to Britain for pounds, for example, had to pay more than the official rate to convert these pounds into dollars. West German marks or other currencies. As a result, such sellers tended to restrict their own foreign buying to countries which would accept pounds.

ARTILLERY BATTLE
TAIPEI (AP)—Nationalist defenders of the Quemoy Islands fought an artillery battle with the Chinese Reds Monday, the Defense Ministry reported. The Reds initiated the action after having subjected the islands to only light fire earlier in the day. The Communists drubbed the islands with 1,717 shells between noon and 6 p.m., the ministry said. U.S. Army Engineers estimate the length of the Mississippi River as about 2,350 miles.

Find's Presley In This Family's Bible
JOHANNESBURG, South Africa (AP)—The Rev. Jan Celliers flipped through the pages of a big family Bible searching Revelation and the face of Elvis Presley looked out. To the Rev. Mr. Celliers, the discovery of Presley's photograph was the last straw. Lately he'd been coming across pinup photographs of Marilyn Monroe, Jayne Mansfield, and other Hollywood stars stuck away between the pages of other family Bibles. Like other ministers of the Dutch Reformed Church, he liked to drop in at the houses of his congregation in the coal mining community of Glencoe, Natal, for informal Bible readings. Later, in a talk, he lashed out at "this spurt of foreign debauchery."

CROSS BURNED AT HOUSE SOLD TO NEGROES
DES MOINES, Iowa (AP)—The Des Moines Human Rights Commission, spurred by a cross burning Saturday, will hold a special meeting this week to cope with the city's housing integration problems. The problem came into the open when a cross of oil-soaked hay was touched off on the lawn of a Des Moines minister who had sold his home to a Negro family. Malcolm Higgins, executive secretary of the commission, said a meeting will be held in the next day or two to discuss recommendations to the City Council.

Family Displaced
The Rev. Ian J. McCrae, minister of education at University Christian church, sold his home to Mr. and Mrs. Harold Carr, a Negro couple displaced by the Des Moines Freeway. While the Rev. Mr. McCrae was out of town Saturday, the flaming cross was touched off on the front lawn of the home. His wife, three children and his mother were in the house. Express Indignation Most neighbors of the Rev. Mr. McCrae expressed indignation over the burning of the cross. The McCraes said they sold their home to the Carrs because "we understand that Negro families are not allowed to buy homes anywhere they want to in Des Moines the way we are." Carr and his wife are both 43. He is a storekeeper at Solar Aircraft Co., and served with the Coast Guard during World War II.

Pay Checks To Be Hit Harder In '59
WASHINGTON (AP)—A couple of end-of-the-year reminders on Social Security changes that may affect your pocketbook: Social Security deductions will take about an additional \$2 a month from the paychecks of most working Americans after the first of the year. The new year will also bring increases of 7 per cent in the Social Security checks received by 12 million retired persons. The changes were voted by the last Congress. Government pension checks mailed in February will be 7 per cent higher than before, with a minimum increase of \$3. The maximum check for a retired man and his wife, both past 65, will climb from \$162.80 to \$174 monthly.

DOUBLE RAISE IN GAS TAXES HELD LIKELY
HARRISBURG (AP)—Construction and preparations for many miles of new highways in the state plus maintenance of roads already built add up to a possible higher price for gasoline in Pennsylvania. Motorists—already worried over the fact that the newer cars seem to be using more gallons—face the possibility of a double-barreled increase in the price of fuel in 1959. An increase in the three-cent federal tax is a possibility and it's even more likely that the state's five-cent tax will be raised. Need More Money Lewis M. Stevens, secretary of highways, said some months ago an increase in the gasoline tax is needed to finance the state's road-building program. Gov.-elect Dav L. Lawrence supported this view in his campaign for governor. State officials will not say how much of an increase is contemplated to pay the state's share of the new highways to be built and the other highways projects. The Highways Department has made an estimate of spending for the 1959-61 biennium, but no one in the outgoing Leader Administration or the incoming Lawrence administration—will say what the estimate is. It is expected to be higher, however, than the 400 million dollars estimated as the total for highways during the biennium ending next May 31.

NEGRO PASTOR RETIRES FROM WHITE CHURCH
STAFFORD, Conn. (AP)—Eight years ago, the Rev. Dr. Roland R. Heacock created a stir when he became pastor of the Staffordville Congregational Church. Dr. Heacock is a Negro. The congregation at the century-old church is all white. Dr. Heacock retired Sunday. He will be 65 Tuesday. He looked out at his congregation, which has grown in the past eight years, and said: "We have exerted a strong and wholesome influence in the field of race relations, particularly in the Christian church. . . . We are glad that we had a part in this good work." Going To Little Rock In his farewell sermon, the pastor recalled his arrival in 1950. " . . . The event was flashed across the nation in newspapers, radio and television as big news," he said. "Today many churches have followed our example and called Negro pastors to serve their needs and integrate their membership." Now that he's retiring, Dr. Heacock isn't going to quit working. He plans to lecture to the Little Rock, Ark., First Congregational Church in March. Later he will speak at Montgomery, Ala. imum check for a retired man and his wife, both past 65, will climb from \$162.80 to \$174 monthly.

West Berlin Court Fines Hitler Aide
BERLIN (AP)—West Berlin's Denazification Court Monday ordered Hitler's economics minister, Walter Funk, to pay a fine of 10,900 marks—\$2,594—for his Nazi activities. The court said the fine was equal to the value of the property—bank accounts—which Funk still has in West Berlin. Funk has lived in Frankfurt, West Germany, since 1957 when he was released from Spandau war crimes prison for health reasons. He announced Huston intends to name the island after St. Molaise, the Celtic monk from Ireland who colonized it about the 6th century. Historically Right Amateur archaeologist Huston believes St. Molaise "is historically the proper designation for a place which became known as Holy Isle only in comparatively recent centuries," Solicitor D. S. Walker reported. But the people on nearby Arran Isle—Holy Isle is inhabited only by a couple of lighthouse keepers—will keep on calling it by its present name. Snapped a local councilman, James Bone: "It's a retrograde step. I resent the notion that any American can wipe out with a wave of his hand one of the most famous spots on the Clyde." Walker said it is for a landowner to decide what to call his own real estate. Walker said the government mapping authority indicated it would restyle local maps in accordance with Huston's wishes. He said Huston had forbears in Arran and "always wanted to own a wee bit of Scotland." He said the new American owner expects to take frequent vacations in the one habitable house on the island which Arran farmers use occasionally for wintering their sheep.

YANK UPSETS SCOTCH WITH NAME CHANGE
GLASGOW, Scotland (AP)—A Yank with a yen for a wee piece of Scotland has bought up tiny Holy Isle in the Firth of Clyde—and started an unholy row by proposing to change its name to St. Molaise. He announced Huston intends to name the island after St. Molaise, the Celtic monk from Ireland who colonized it about the 6th century. Historically Right Amateur archaeologist Huston believes St. Molaise "is historically the proper designation for a place which became known as Holy Isle only in comparatively recent centuries," Solicitor D. FIRES SHOTGUN INTO CROWD
ABINGTON, Pa. (AP)—A 12-year-old youth, angered Sunday night when some boys threw rocks at his car and then jeered and insulted him, fired two shotgun blasts into the street corner crowd, wounding six of them slightly. Abington Township police arrested Frank Armstead, Lt. Robert Murray said Armstead told him he was driving past an intersection in this Montgomery County community early in the evening when the rocks pelted his car. He said the boys jeered him when he stopped. Enraged, Armstead went home and returned in 20 minutes with a shotgun. He fired twice into the crowd. Murray said that Armstead was identified by some of the youths. The shotgun was found by police in a field near his home. The last winning season for the University of New Hampshire came in 1954 when the Wildcats compiled a 7-1 record. mapping authority indicated it would restyle local maps in accordance with Huston's wishes. He said Huston had forbears in Arran and "always wanted to own a wee bit of Scotland." He said the new American owner expects to take frequent vacations in the one habitable house on the island which Arran farmers use occasionally for wintering their sheep.

WORLD ON WHEELS

By FLOYD CLYMER

LOS ANGELES MAYOR Creates Commotion — Recently Mayor Norris Poulson of Los Angeles lambasted the Detroit manufacturers for building cars with such large engine displacement that they were contributing in no small measure to the serious smog situation in Los Angeles County.

Mayor Poulson, still sticking by his guns, stated that his comments in Washington, D. C., were brought about by the seriousness of the smog situation in his city and that the car manufacturers were paying more attention to grilles, styling and other improvements than they were to developing a muffler that would reduce, if not eliminate, smog.

L. L. Colbert, president of the Automobile Manufacturers Association, severely criticized the mayor for having ignored the engineering research that all manufacturers have been doing to eliminate the smog problem.

Prefers Smaller Car Manufacturers of small cars are having much to say, in a propaganda way, about Mayor Poulson's cancelling an order for a large car for his official use, stating that he would hereafter use a Rambler for official duties, that his executive secretary would use a Studebaker Lark, and he urged city-councilmen to purchase small cars instead of large ones for their official use. The mayor declined to accept a new Cadillac upon delivery and Purchasing Agent Holm is assigning it for the use of visiting dignitaries.

1959? — Some experts in the auto industry foresee the sale of a million or more small cars in 1959; as against approximate sales of 600,000 in 1958. A few short months ago anyone foreseeing such an estimate as to small car sales would have been considered a candidate for the nut house.

The sale of imported cars has certainly stimulated interest in small cars.

The Rambler to date has been the only U. S. produced car to cash in on this increasing market — and now Studebaker, with their new Lark, is enjoying the best business they have had in many years.

Rambler's sales increase has been phenomenal. They had been consistently in seventh place in sales, then for a few weeks were in sixth place, and once or twice in fifth place, for weekly production figures. If the trend continues, it is not unlikely that Rambler may exceed Pontiac, or even Oldsmobile, for some of the weekly production periods of 1959.

It seems a foregone conclusion now that Chevrolet, Ford and Plymouth will offer shorter, lighter and narrower cars some time in 1959 — possibly before the usual new model announcements are made late in the fall.

BIG SALES INCREASE FOR Air Conditioning — While this isn't exactly the season to mention air conditioning, it is interesting to note the exceptional popularity of A. C. units.

Southern California, so long blighted with noxious smog, is fast becoming the best market for automotive air conditioning, according to Babe Stapp and Lewis Welch of the Novi Air Conditioning Company, Stapp, ex-

Alcohol And Accidents Go Hand In Hand

By Jeanne Smith
Safety Consultant

Especially timely at the holiday season are some statistics on the relationship of alcohol and accidents released by the National Safety Council.

Urging drivers and pedestrians alike not to mix alcoholic spirits with the Christmas spirit, the council points out that more than 25 per cent of traffic fatalities are the result of drinking.

In Delaware, where special attention has been given to the problem of the drinking driver, blood tests, police reports and intoximeter tests show that 40.6 per cent of all drivers involved in traffic fatalities had been drinking.

A test of 50 volunteers, reported by the council, revealed that drinking seriously impairs both judgment and reaction time.

After the 35 men and 15 women volunteers had first been tested for driving ability, each drank an ounce of whiskey for every 30 pounds of body weight. (In other words, a 150 pound man consumed five drinks.)

Forty-five minutes later, the volunteers were retested with these results:

Nearly all suffered loss of visual sharpness. Thirty per

cent showed a significant drop in depth perception. More than half were unable to judge distances well and over 50 per cent were affected adversely by headlight glare.

When quick thinking is vital, council officials stress, the drinking driver is severely handicapped.

THE DRIVER'S SEAT

Farmers and railroads have generally gotten along pretty well together down through the years. Sometimes — as is often the case with two people who need each other — the farmers and the railroads have a falling out. Recently it's over the accident problem at grade crossings.

Usually the farmers and the railroads settle their disputes amicably, but now this serious thing about the grade crossing accidents threatens to break up the friendship.

Briefly the problem is this: drivers at night are running into the unlighted sides of standing and slow-moving railroad cars and engines at rural and suburban grade crossings.

"Someone Dies"

To people in rural areas, where most crossings are at grade, this is of great concern because for every two railroad crossing accidents, someone — a son or daughter or neighbor maybe — dies.

At night the car hits the train in one of every two of these grade crossing accidents. Grade-crossing accident research done in Iowa shows that the odds a driver will hit a train go up eight to ten times at night.

These facts and the rumblings of discontent from farm folks about railroad engine and box-car sides that are hard to see caused a number of powerful farm groups

recently to ask for federal legislation. It would require railroads to put on their cars material that shines in headlight beams so motorists can see trains at night.

But events in recent months indicate that the breach in friendship may yet be healed.

Reflectorize Boxcars

The Great Northern Railway took the initiative to reflectorize its boxcars to protect citizens wherever the cars go. Other railroads are doing the same, and more are planning to follow suit.

The president of the Michigan Farm Bureau, one of the biggest and most active advocates of federal legislation to reflectorize boxcars, recently took time out to publicly congratulate the president of the Great Northern Railway for his line's "progressive move to voluntarily include . . . reflectors" on boxcars for greater motorist safety.

This example gives hope that two good friends like railroads and farmers ought to be able to work out their differences without third party interference. It's the American way.

WAIST HIGH OUTLETS

NEW YORK (AP) — A Cornell University study group says housing for the elderly should have all fixtures and outlets at waist height to help prevent accidents from dizziness in stooping or stretching. Findings of the year-long study are to be tested by technicians of the State Housing Division.

The famed Smithsonian Institution in Washington, D. C., one of the most influential museums of scientific knowledge in the world, was donated by James Smithson, an Englishman who had never been to the United States.

ARGUE BLUE CROSS CHANGE
HARRISBURG (AP)—The State Insurance Commission was told at a public hearing Monday that three Blue Cross agencies had amended their original proposals in offering out-patients coverage to subscribers.
All three groups amended their original proposals to stipulate that out-patient diagnostic services will be covered "only when performed in the hospital and billed by the hospital—not the doctor."
The hearing was held on pro-

posed expanded services by the Hospital Service Plan of Lehigh Valley; Capital Hospital Service, covering Central Pennsylvania, and the Hospital Service Assn. of Western Pennsylvania.
The Pennsylvania Medical Society and Blue Shield contended that under the wording of the original proposals the Blue Cross organizations could infringe on their contracts.
Blue Shield offers insurance for physician bills. Blue Cross insurance covers hospital expenses.

Warriors Meet Hanover Hi Here Tonight In SP Game; Jayvees To Meet At 6:45

Gettysburg High and Hanover will both be out to snap losing streaks when they meet here this evening in a South Penn Basketball League game.

The Warriors are 2-3 overall after bowing to Carlisle and the Alumni while Hanover is 3-3 following three reverses in a row. In South Penn play Gettysburg is 1-1 and Hanover 0-2.

Nighthawk coach Fred Kreuter has only Gary Ampsperger, 6-3, left from the starting team of last season which won the second half title before bowing to Carlisle 59-52 for the league championship. Ampsperger is tied with Brian Jacobs, Chambersburg, in the league scoring with 50 points each.

Hawks Taller
Once again the Warriors will be forced to overcome a height disadvantage. John Cromer 6-4 and Marlin Dutterer 6-2 will combine with Ampsperger to give the Hawks good rebounding potential.

The remainder of the varsity squad includes the following: Ted Kehr 6-0, Jim Heilman 5-9, Jim Riddle 5-9, Dick Haman 5-10, Curvie Bankert 5-10, Larry Hart 5-7, Hen Mowery 5-7, and Mike Rice 6-1.

Hanover started the season with three straight victories, defeating Delone 43-28 and 49-48, and York 41-37. The Hawks followed with three straight losses, 38-52 to Lancaster, 56-53 to Waynesboro and 57-55 to Middletown.

The Warriors, who opened their league campaign with a 50-41 win at Hershey, bowed last week to unbeaten Carlisle and to a good Alumni outfit. They have shown well at times and have their sights set on a first division berth.

At 6:45 the jayvee teams will meet. Bob Nicholson's scrubs won three straight before losing in double overtime to Carlisle last week.

"Crucial" Game

The big game in South Penn league tonight will be played at Chambersburg where the Trojans meet unbeaten Carlisle. Chambersburg (5-1) is given the best chance to unseat the Herd (7-0) as league champs. Chambersburg and Carlisle are currently in a triple tie with Waynesboro for first place with 2-0 records. Waynesboro has a non-conference engagement tonight with North Hagerstown.

Completing the league schedule tonight will be Hershey at Mechanicsburg and Shippensburg at Middletown.

Fairfield and New Oxford are the only other county teams having games tonight. Fairfield (2-2) clashes with the Alumni, while New Oxford (1-3) is host to Dover.

SUGAR BOWL FIELD HEAVY

NEW ORLEANS, La. (AP) — Clemson isn't banking on any help from the weatherman against Louisiana State's national champions in the Sugar Bowl New Year's Day. But it's no secret a wet field will impede the speedy Bayou Bengals.

Forecasters said they don't expect any rain on the 82,000 fans Thursday, but heavy showers were on tap for today and Wednesday and a heavy field probably will greet the teams.

Coach Frank Howard had his Clemson squad working out in mild, springlike weather at Biloxi, Miss., Monday. The halting veteran of 18 seasons at Clemson said — perhaps with tongue in cheek — he hoped the good weather will last.

Coach Paul Dietzel of undefeated LSU had little comment on the weather. One of his toughest reg-

CLEAR CHAMP IN DOPE CASE

LOS ANGELES (AP)—Don Jordan, world welterweight champion, has been cleared by the district attorney's office in a narcotics possession case.

Jordan and four others were arrested Sunday in a car in which police said they found a smoldering marijuana cigarette.

The newly crowned 147-pound champ, who won his title by beating Virgil Akins, denied any knowledge of the cigarette. "If I had known there was any marijuana in that car I wouldn't have been riding in it," he said.

The district attorney's office also declined to issue complaints against three others in the car: boxer Javier Sanchez, 24, Mexican; Pete Padilla, 19, driver, and George Chavez, 21. A fourth youth, Richard Holguin, 18, will be charged with narcotics possession, the district attorney said.

DON'T FEEL TOO SORRY FOR AF TEAM VS. TCU

DALLAS (AP) — The consensus is that you shouldn't feel too sorry for "little" Air Force Academy in its battle with big Texas Christian in the Cotton Bowl Thursday.

Manpower may not have anything to do with it and if it does Air Force seems to have enough to take care of the situation.

Coach Ben Martin is using the two-unit system and plans to continue it in the Cotton Bowl. Even against Iowa, the strongest team played during the season, he was able to substitute by the clock. That was the day Air Force fought the mighty Hawkeyes to a 13-13 tie.

Favored On Depth
Thus, any idea that Texas Christian, which is a bulky three deep and plays it second and third teams almost as much as the first, will overpower Air Force might not hold water.

Coach Abe Martin of Texas Christian wouldn't say he thought reserve strength would be the major point — he merely declared that "I think the second team will have a lot to do with this game."

Martin said he figured TCU should be favored because it is deeper. But he also pointed out that his well-conditioned team didn't need too much substituting.

Lee Petty Is Top NASCAR Driver

DAYTONA BEACH, Fla. (AP) — Lee Petty of Randleman, N. C., was the top driver of the NASCAR Grand National division with 12,232 points during 1958. The 200-pound Petty, 44, finished 644 points ahead of Buck Baker of Spartanburg, S. C. Glen (Fireball) Roberts, 29, led the NASCAR drivers in money won with \$38,045 while competing in 17 races during the year.

NAVY BEATEN BY KENTUCKY; COX GETS 23

By DON WEISS
Associated Press Sports Writer
Add St. John's (N.Y.), Oklahoma City, Dartmouth, Texas A&M, and Oregon State to the list of Christmas week tour nament champions, but keep Kentucky on top in the reckoning for the team to beat in college basketball this season.

Adolph Rupp's Wildcats, who wrapped up their tournament package week ago in the Kentucky Invitational, ran their all-winning streak to nine Monday night with an 82-69 victory over Navy. Johnny Cox ripped in 23 points.

So far the Kentuckians are showing every indication they're able to follow up the championship they nailed in the NCAA Tournament last March, although Cox is the only holdover from the regular unit of a season ago.

W. Va. Wins
Their victory over Navy and Jerry West's 44-point show in fifth-ranked West Virginia's 76-72 decision over Tennessee were the only regular game developments to break through the rash of tournament competition.

No fewer than 16 major tournaments were in action and five crowned their champion.

St. John's, behind a brilliant 33-point show by sophomore Tony Jackson, whipped St. Joseph's (Pa.) 90-79 in the ECAC Holiday Festival at New York's Madison Square Garden.

A Rude Host
Oklahoma City was rude host again, bagging its third All-College title at home by turning back Duquesne 75-59 in the final.

Dartmouth, with driving Chuck Kaufmann netting 22 points, won the Queen City Tournament at Buffalo 72-69 over Canisius.

Texas A&M downed Texas Christian 61-45 for the Southwest Conference Tournament title, and Oregon State won the Far West Classic at Corvallis, Ore., topping Iowa 72-71.

Mississippi, a 71-47 winner over Florida, meets LSU in the Gator Bowl windup at Jacksonville tonight. LSU beat Georgia 63-60 Monday night. Defending champion Memphis State and Mississippi State play for the Sugar Bowl championship in New Orleans.

Memphis State nipped Loyola of the South 73-71 and Mississippi State dropped Maryland 56-45.

Finalists In Detroit
Detroit and Michigan are finalists at the Motor City Tournament in Detroit, Michigan after a 71-58 victory over Princeton and Detroit after a 98-87 decision over Army.

In the Richmond Invitation final, it's Richmond vs. Penn State. In the Hurricane tourney (the old Orange Bowl) in Miami, it's—appropriately enough — Miami of Ohio vs. Miami of Florida.

Kansas State, a 73-59 winner over Oklahoma, plays Colorado for the Big Eight Tournament title at Kansas City, and Utah State meets Ohio University for the All-American city title at Owensboro, Ky.

Finalists in the Providence College Invitational are Boston College and Colgate.

Giants In Semis
Four giants of the hardwoods have reached the semifinals in the tournament of tournaments — the power-packed Dixie Classic in Raleigh. It's Cincinnati against North Carolina State, and a pair of unbeaten, North Carolina against Michigan State.

Cincinnati, winning its sixth straight, whipped Wake Forest 94-70 in first-round play. Oscar Robertson scored 29 points.

North Carolina State went into overtime to nip Louisville 67-61, Michigan State battered Duke 81-57 and North Carolina, the defending champ, humbled Yale 92-65. Unbeaten St. Francis (Pa.) and George Washington, Davidson and Fordham reached the semifinals of the Carrousel tourney at Charlotte, N.C. The Frankies beat Bucknell 73-65 and play Davidson, a 62-55 overtime winner over South Carolina. Fordham defeated Pitt 85-76 and George Washington clipped Clemson 72-53.

GEOFFRION CAN SET RECORDS

MONTREAL (AP) — If Benny Boom Boom Geoffrion, Montreal Canadiens' burly rightwinger, can keep up his present scoring pace he will be bidding for a couple of National Hockey League records at the end of the season.

The league's official statistics, released today, show the Boomer comfortably on top of the scoring parade with 48 points. He has scored 19 goals and collected 29 assists with the season one-game short of the midway mark.

Geoffrion needs 96 points to set one record and 5 assists to set another. The record for points is 104, held by Gordie Howe of the Detroit Red Wings in the 1952-53 season. The assists record for a season is 56. It was made by Bert Olmstead, now with the Toronto Maple Leafs, when with the Canadiens in the 1935-36 season.

The Boomer last week scored 1 goal and helped on 5 others to widen his margin over Andy Bathgate of the New York Rangers. Bathgate scored 1 goal and 1

2 ROSE BOWL TEAMS READY FOR BIG GAME

PASADENA, Calif. (AP) — Hard work was behind Iowa and California today and whatever their rivals have cooked up for the Rose Bowl battle must remain top secret until New Year's Day.

Coach Pete Elliott of California planned a one-hour session today. The Bears had a rough session of almost two hours Monday.

Forest Evashevski of the Big Ten champions had similar plans for the Hawkeyes. A spirited dummy workout Monday featured the pinpoint passing of All-American quarterback Randy Duncan.

Overcomes Cold
California's quarterback star, Joe Kapp, was healthy after a bad cold, and both teams figure to be in excellent shape for the game.

Elliott named his probable starting lineup but cautioned it was subject to revision.

As it stands, Kapp heads a backfield of halfbacks Jack Hart and Hank Olgun and fullback Bill Patton.

Across the line, Elliott named ends Jerry Lundgren and Tom Bates, tackles Pete Newell and Frank Sully, guards Pete Domoto and Don Piestrup and center Terry Jones.

Most observers look for a high scoring game. One expert predicted 30 or more points for each team.

PETTIT LEADS NBA SHOOTING

NEW YORK (AP) — Towering Bob Pettit of St. Louis still is the ruler of the National Basketball Assn.'s sharpshooters but the pro circuit has a new playmaking leader in an old hand — Boston's Bob Cousy.

Pettit is the top gun with 817 points and a 28.2 per-game average for 29 games. Cousy moved ahead of Detroit's Dick McGuire in the assists department with 30 feeds in his last 3 outings for a total of 221. Tricky Dick has 217.

Figures released today by the NBA cover games through Sunday, Dec. 28.

Top scorers behind Pettit are familiar faces, Paul Arizin, Philadelphia, 724, 25.0; Elgin Baylor, Minneapolis, 721, 24.0; Jack Twyman, Cincinnati, 709, 23.6; and George Yardley, Detroit, 695, 22.4.

Fight Results
Dallas — Paul Jorgensen, 129, Port Arthur, Tex., outpunched Bobby Bell, 127, Youngstown, Ohio, 10; Bert Whitehurst, New York, outpointed Art Swiden, Texas, 10, leaves.

Louisville, Ky. — Rudell Stuch, 147½, Louisville, outpunched Chico Vejar, 159, Stamford, Conn., 10; Providence, R. I. — Paddy Demarino, 143½, Brooklyn, stopped Lionel Butler, 137½, New York, 4, assist, giving him a 20-21 count for 41 points, behind Geoffrion. Third place remains shared by two Montreals, Dickie Moore and Maurice (Rocket) Richard. Each has 36 points.

GRID WRITERS WOULD RETAIN 2-POINT RULE

By BOB MYERS
Associated Press Sports Writer
PASADENA, Calif. (AP) — The Football Writers Assn. of America favors retention of the new two-point conversion rule and return of the goal posts to the goal line in college football.

The members voted against a return to the platoon system. Bert McGrane, veteran grid expert with the Des Moines Register and Tribune and secretary of the Football Writers Assn., today announced the results of a national poll conducted by the organization.

Answer Decisive
1. Should the 2-point conversion be retained?
Yes—315
No—124
Do you favor return to the one-point conversion?
Yes—127
No—247

Should goal posts be returned to the goal line?
Yes—345
No—102
Do you favor return of the platoon system?
Yes—201
No—242

Other Opinions
The poll was taken at the suggestion of Coach Bud Wilkinson of Oklahoma, presumably as a guide to recommendations by the Coaches Assn. to the National Rules Committee.

The writers voiced opinions of other phases of the college game. There was a sharp trend against the rule placing the ball on the 20-yard line when a punt or kick-off is downed in the end zone.

Recommendations ranged from playing it from the goal line to the 5 or 10-yard line.

Ask Uniformity
There was a plea for uniformity of professional, college and high school rules. Some suggested that the National Rules Committee quit tampering with the game entirely for five years or so.

Some favored complete elimination of points after touchdown. Wilfrid Smith of the Chicago Tribune spoke for several who favored letting a kicking team ground its punt anywhere on the field. Still others recommended letting either team run with a loose or fumbled ball.

Free substitutions were favored and condemned.

There was strong sentiment against the present one-arm blocking rule and several suggested that a team trailing on the scoreboard be permitted to receive a kickoff regardless of which team scored last.

RICHARDSON AND OLMEDO WIN DOUBLES

By WILL GRIMSLEY
Associated Press Sports Writer
BRISBANE, Australia (AP) — America's Ham Richardson and Alex Olmedo made a dramatic — almost impossible — comeback just when all seemed lost today and won the doubles over Mal Anderson and Neale Fraser to move within one step of recapturing the Davis Cup from Australia.

Behind two sets and their backs squarely up against the wall, Richardson, the No. U.S. player, and Olmedo, the borrowed Peruvian, won an exhausting four-hour marathon 10-12, 3-6, 16-14, 6-3, 7-5.

The triumph gave the underdog Yanks a 2-1 lead in the best-of-five competition and put them in a favorable position to clinch the international tennis trophy in the final singles Wednesday.

Olmdeo, who scored a sensational first-day victory over Anderson, will play Wimbledon champion Ashley Cooper in the first match, while Barry MacKay of Dayton, Ohio, will meet weary, harried Anderson in the final set.

The confident American camp is sure the 22-year-old Olmedo, who is playing brilliant tennis, will whip Cooper, the world's top amateur, and make the final match a mere formality.

But even if he fails, the most rabid Australians concede MacKay, with his booming service, stands a good chance of licking Anderson, a chronic worrier who now is fretting over two straight setbacks.

Anderson Cracks
It was Anderson, his legs wobbling from weariness, who finally cracked in the 81st game, losing his service at love in the 11th game of the fifth and final set.

First he netted a weak volley. Then two fine shots by Richardson made it 0-40, and finally Olmedo won the game-clinching point with a great lob. Fraser, who played well most of the way, smashed the ball at Alex's feet.

The National Collegiate champion from Southern California swung and the ball wafted over the Aussies' heads, just within the baseline.

Then Olmedo, with the sweet scent of victory urging him on, unleashed the biggest services of his career, won the 12th and deciding game without the loss of a point.

PA. GOP CHIEFS TO MEET JAN. 9

PHILADELPHIA (AP)—The two top leaders of the state Republican party will meet Jan. 9 for the first time since the November election.

U. S. Sen-elect Hugh D. Scott and state party chairman George I. Bloom will be among six prominent Republicans coming here to discuss the party's financial problems.

Scott, the only GOP nominee to win a major office in the state election, has criticized Bloom's conduct of the campaign and has called for a reorganization of the Republican State Committee.

Some political observers blamed the Republican defeat on insufficient funds.

Others To Attend

In confirming Sunday that the Jan. 9 meeting would be held, Scott said it would be a healthy thing if both the Republicans and Democratic parties would shed a little more light on their activities.

The others scheduled to attend the meeting are:

Thomas B. McBride, president of the Scott Paper Co. and a regular contributor to GOP political campaigns; Jay Cooke, Republican national committeeman; Lt. Gen. Milton G. Baker, superintendent of the Valley Forge Military Academy; and W. James MacIntosh, a Philadelphia lawyer.

Gettysburg Lutheran Seminary will officiate.

The alumni of the Fairfield Joint High School and the Fairfield Joint High School varsity will play a basketball game Tuesday evening.

PROTESTANTS TO HEAD OFF RACE BETTING

By RICHARD L. GRAVES
HARRISBURG (AP)—Protestant churchmen today prepared moves aimed at heading off enactment by the 1959 Legislature of any measure leading to legalized horse race betting in Pennsylvania.

"We do not feel it is our job to lobby against such a bill, but we will try to alert our constituents to the problem and let them work directly on their lawmakers," declared the Rev. Dr. Jesse Reber, executive director of the Pennsylvania Council of Churches.

Sen. G. Robert Watkins (R-Delaware) predicted that the 1959 Legislature would authorize a statewide referendum to test voter sentiment on legalized horse race betting.

Feel Election Helped

But the Council of Churches feel that the November elections upset any chances of getting such a bill through the Senate. They point out that the House has not endorsed any such proposals in 20 years.

During the last Legislature a referendum bill backed by Watkins was introduced and passed the Senate by a 26-22 vote. Most of the support came from Democrats.

But Reber contended that one Republican supporter of the bill did not run for re-election and one Democratic supporter was replaced by a Republican.

Lawrence Would Sign

Gov. - elect David L. Lawrence indicated in a pre-election statement that he would sign a horse race referendum bill should one reach his desk.

Gov. George M. Leader sounded the death knell for such a measure in the 1957 session when he announced he could not sign such a proposal into law.

Consequently, the Watkins bill died in the House Law and Order Committee.

Strength In Rural Areas

The Rev. O. B. Poulson, who runs the church council information service on legislation, said he thinks "the situation is brighter this year for defeat of any moves toward legalizing horse race betting."

He indicated that the prime concern of the church groups is the strength of the major cities.

"Our (Protestant church) strength comes in the rural and less heavily populated urban areas of the state," Poulson declared. "Less than 20 per cent of the people in Philadelphia are enrolled in Sunday Schools."

He said on that basis the church groups would oppose a referendum bill because the heavy city population would outweigh the rest of the state.

LONDON (AP)—The Soviet Union Monday rattled its intercontinental ballistic missile, and a hydrogen-bomb head for it, in defense of East Germany.

"Any provocation in West Berlin and attempted aggression" against East Germany "may start a major war," said the Soviet communist party newspaper Pravda.

The same threat was made before in trying to pressure the West to accept Soviet Premier Nikita Khrushchev's proposal that the Allies quit West Berlin and let it be turned into a disarmed free city.

CARACAS, Venezuela (AP)—Seven men suspected of planning an attack on President-elect Romulo Betancourt were held Monday for questioning. The men were picked up while near Betancourt's house Saturday night. The President-elect was not at home.

It's Going To Be Tough For Joneses To Keep Up In '59

By HAL BOYLE
NEW YORK (AP)—It is time again for our annual peek into the crystal ball at the prospects for the year ahead.

And the forecast is "Everything fine in '59." But with some reservations.

Almost everybody who is working will earn a little more money, but even the Joneses will find it harder to keep up with themselves.

Business and the cost of living will rise hand in hand. Politicians of all parties will sternerly call for more economy in government—and then sit around and vote more money all around.

The two words people will be most weary of by 1960 are "inflation" and "taxes."

Some Other Predictions
The cold war will remain about as peaceful as it has in the past, but defense costs will go up in every country as every day uncovers a new international crisis.

In the rest of the world people will riot for bread or power—and in America for the goalposts after football games.

A few other predictions:
In March the United States will startle the world by firing into space the first satellite containing a talking dog. In April the Soviet Union will reply by shooting up a satellite containing a talking parakeet and a chorus of singing mice, all perched on the back of a talking horse.

New Medal Idea

In China, 250,000 people weary of communal living will stage a friendly protest march on Peiping—and that is the last that will ever be heard from them.

In Washington, D.C., these

things can be looked for:
A congressman will receive a citizens' award for spending more time at his job than in preparing to run again in 1960. He'll lose it in 1960.

612 Lost Balls

President Eisenhower will hold a massive children's Easter egg hunt on the White House lawn—and recover 612 lost golf balls.

Forecasts about people:
Secretary of State John Foster Dulles will make a trip by train. Nikita Khrushchev will go on the water wagon. Elvis Presley will get promoted to sergeant and write a book on Army life entitled, "Three Stripes and You're Out."

All in all, quite a year—1960.

BERLIN (AP)

A top official of a private West Berlin intelligence agency has been arrested on suspicion of being a Communist spy.

West Berlin police said the man is Dr. Kurt Werner, 59, head of an economic section of the League of Free Jurists.

The Free Jurists—an organization which has received moral and financial support from prominent lawyers in the Western world—gathers evidence of legal justice in Communist East Germany. It has widespread underground contacts in the East.

Werner knew the names of some of these underground contacts, and police suspect him of having given the East German secret police information on them.

WORLD ON WHEELS

By FLOYD CLYMER

LOS ANGELES MAYOR Creates Commotion — Recently Mayor Norris Poulson of Los Angeles lambasted the Detroit manufacturers for building cars with such large engine displacement that they were contributing in no small measure to the serious smog situation in Los Angeles County.

Mayor Poulson, still sticking by his guns, stated that his comments in Washington, D. C., were brought about by the seriousness of the smog situation in his city and that the car manufacturers were paying more attention to grilles, styling and other improvements than they were to developing a muffler that would reduce, if not eliminate, smog.

L. L. Colbert, president of the Automobile Manufacturers Association, severely criticized the mayor for having ignored the engineering research that all manufacturers have been doing to eliminate the smog problem.

Prefers Smaller Car Manufacturers of small cars are having much to say, in a propaganda way, about Mayor Poulson's cancelling an order for a large car for his official use, stating that he would hereafter use a Rambler for official duties, that his executive secretary would use a Studebaker Lark, and he urged city councilmen to purchase small cars instead of large ones for their official use. The mayor declined to accept a new Cadillac upon delivery and Purchasing Agent Holm is assigning it for the use of visiting dignitaries.

1959 — Some experts in the auto industry foresee the sale of a million or more small cars in 1959, as against approximate sales of 600,000 in 1958. A few short months ago anyone foreseeing such an estimate as to small car sales would have been considered a candidate for the nut house.

The sale of imported cars has certainly stimulated interest in small cars.

The Rambler to date has been the only U. S. produced car to catch on in this expanding market — and now Studebaker, with their new Lark, is enjoying the best business they have had in many years.

Rambler's sales increase has been phenomenal. They had been consistently in seventh place in sales, then for a few weeks were in sixth place, and once or twice in fifth place, for weekly production figures. If the trend continues, it is not unlikely that Rambler may exceed Pontiac, or even Oldsmobile, for some of the weekly production periods of 1959.

It seems a foregone conclusion now that Chevrolet, Ford and Plymouth will offer shorter, lighter and narrower cars some time in 1959 — possibly before the usual new model announcements are made late in the fall.

BIG SALES INCREASE FOR Air Conditioning — While this isn't exactly the season to mention air conditioning, it is interesting to note the exceptional popularity of A. C. units.

Southern California, so long blighted with noxious smog, is fast becoming the best market for automotive air conditioning, according to Babe Stapp and Lewis Welch of the Novi Air Conditioning Company. Stapp, ex-

Alcohol And Accidents Go Hand In Hand

By Jeanne Smith
Safety Consultant
Especially timely at the holiday season are some statistics on the relationship of alcohol and accidents released by the National Safety Council.

Urging drivers and pedestrians alike not to mix alcoholic spirits with the Christmas spirit, the council points out that more than 25 per cent of traffic fatalities are the result of drinking.

In Delaware, where special attention has been given to the problem of the drinking driver, blood tests, police reports and intoximeter tests show that 40.6 per cent of all drivers involved in traffic fatalities had been drinking.

A test of 50 volunteers, reported by the council, revealed that drinking seriously impairs both judgment and reaction time. After the 35 men and 15 women volunteers had first been tested for driving ability, each drank an ounce of whisky for every 30 pounds of body weight. (In other words, a 150 pound man consumed five drinks.)

Forty-five minutes later, the volunteers were retested with these results:

Nearly all suffered loss of visual sharpness. Thirty per

cent showed a significant drop in depth perception. More than half were unable to judge distances well and over 50 per cent were affected adversely by headlight glare.

When quick thinking is vital, council officials stress, the drinking driver is severely handicapped.

THE DRIVER'S SEAT

Farmers and railroads have generally gotten along pretty well together down through the years.

Sometimes — as is often the case with two people who need each other — the farmers and the railroads have a falling out. Recently it's over the accident problem at grade crossings.

Usually the farmers and the railroads settle their disputes amicably, but now this serious thing about the grade crossing accidents threatens to break up the friendship.

Briefly the problem is this: drivers at night are running into the unlighted sides of standing and slow-moving railroad cars and engines at rural and suburban grade crossings.

"Someone Dies"

To people in rural areas, where most crossings are at grade, this is of great concern because for every two railroad crossing accidents, someone — a son or daughter or neighbor maybe — dies.

At night the car hits the train in one of every two of these grade crossing accidents. Grade-crossing accident research done in Iowa shows that the odds a driver will hit a train go up eight to ten times at night.

These facts and the rumblings of discontent from farm folks about railroad engine and box-car sides that are hard to see caused a number of powerful farm groups

cent showed a significant drop in depth perception. More than half were unable to judge distances well and over 50 per cent were affected adversely by headlight glare.

When quick thinking is vital, council officials stress, the drinking driver is severely handicapped.

recently to ask for federal legislation. It would require railroads to put on their cars material that shows, in heart light beams so motorists can see trains at night.

But events in recent months indicate that the breach in friendship may yet be healed.

Reflectorize Boxcars

The Great Northern Railway took the initiative to reflectorize its boxcars to protect citizens wherever the cars go. Other railroads are doing the same, and more are planning to follow suit. The president of the Michigan Farm Bureau, one of the biggest and most active advocates of federal legislation to reflectorize boxcars, recently took time out to publicly congratulate the president of the Great Northern Railway for his line's "progressive move to voluntarily include... reflectors" on boxcars for greater motorist safety.

This example gives hope that two good friends like railroads and farmers ought to be able to work out their differences without third party interference. It's the American way.

WAIST HIGH OUTLETS

NEW YORK (AP) — A Cornell University study group says housing for the elderly should have all fixtures and outlets at waist height to help prevent accidents from dizziness in stooping or stretching. Findings of the year-long study are to be tested by technicians of the State Housing Division.

The famed Smithsonian Institution in Washington, D. C., one of the most influential museums of scientific knowledge in the world, was donated by James Smithson, an Englishman who had never been to the United States.

ARGUE BLUE CROSS CHANGE

HARRISBURG (AP)—The State Insurance Commission was told at a public hearing Monday that three Blue Cross agencies had amended their original proposals in offering out-patients coverage to subscribers.

All three groups amended their original proposals to stipulate that out-patient diagnostic services will be covered "only when performed in the hospital and billed by the hospital—not the doctor."

The hearing was held on pro-

posed expanded services by the Hospital Service Plan of Lehigh Valley Capital Hospital Service, covering Central Pennsylvania, and the Hospital Service Assn. of Western Pennsylvania.

The Pennsylvania Medical Society and Blue Shield contended that under the wording of the original proposals the Blue Cross organizations could infringe on their contracts.

Blue Shield offers insurance for physician bills. Blue Cross insurance covers hospital expenses.

WHY MY DADDY GAVE MOMMY A KITCHEN TELEPHONE IN COLOR

Our new kitchen telephone is beautiful. Mommy says that it makes everything so nice for her. When someone calls she can answer without leaving things cooking on the stove. She really likes it.

Daddy says he likes our kitchen telephone, too. He said he was surprised at how little it costs. Why don't you get a kitchen telephone of your very own.

Jap Admiral Feared Trap In Battle Of Leyte Gulf

LOS ANGELES (AP)—A Japanese admiral has told a U. S. school boy his fear of a trap led him to withdraw his fleet when the Americans invaded the Philippines in World War II.

The 2,000-word letter of Vice Adm. Kiyohide Shima to 16-year-old Bill Frazer of Pacoima, Calif., broke the admiral's long silence on a mystery which has puzzled war historians.

Frazer had asked Shima why he pulled his forces out of the crucial battle of Leyte Gulf in October 1944. The youth will use the information in a history term paper in junior high school.

Expressing gratitude for the admiral's response, young Frazer added: "I hope I get an A on the paper."

Withdrew His Ships

While U. S. forces were fighting for a foothold on Leyte Island, Shima withdrew the ships of his 2nd Division from a running sea battle in Surigao Strait.

The admiral wrote Frazer that the Japanese 1st Division of Vice Adm. Nishimura was destroyed by the Americans, Shima's own flag ship, the heavy cruiser Nachi, was crippled by a collision with another Japanese cruiser and was limited to a top speed of 20 knots.

All factors made him decide the Americans were waiting for him in force.

"It was quite clear that we should only fall into a ready trap," Shima said. "I considered all such things — events, circumstances, possibilities. Then I came to my decision that it would be better to retreat from the strait and wait a chance to know how everything went."

"Great Document"

The Los Angeles Examiner, which published the copyrighted letter, said it is "certain to become one of the great historical documents of the war in the Pacific."

In a preface to his answer, the

CALIFORNIA MAY BE SPLIT

SAN FRANCISCO (AP) — Public sentiment favors splitting California into two states, the San Francisco Chronicle said Monday.

The newspaper, releasing results of a poll, said a majority of participants believe the north and south have little in common. They wanted the issue settled by referendum, the paper added.

More than a third of the voters indicated that the question as put to them was unrealistic, if not impossible.

Almost half expressed the belief that such a division would benefit both the northern and southern sections of the state and a majority of the ballots favored a partition of California at the Tehachapi Mountains — the traditional boundary between north and south.

Principal Issues

The issues which received most votes:

Dissimilarities between interests, the cultures and general points of view in the north and south make partition desirable — 55.7 per cent.

Constant shift toward Southern California political domination of the state is a threat to the north which can best be met by separation — 49.8 per cent.

The Chronicle concluded that the ratio of participants favoring partition may in reality outnumber those who oppose it by three to two.

The newspaper did not release figures of the number of persons participating in the poll.

DIVORCE NEAR

LOS ANGELES (AP) — Former skating star Donna Atwood and millionaire showman John Harris, 58, have reached a property agreement and will get a divorce soon. They were married 15 years ago. Attorneys said Miss Atwood, 33, gets the \$300,000 family home in Beverly Hills, \$100,000 in furnishings, \$2,000 monthly alimony and support for three young children.

DOESN'T PAY

DETROIT (AP)—Wayne County loses money every time it bills Boleslaw Gavel. His house is assessed at \$2,010. But Gavel gets a \$2,000 soldier's homestead tax exemption, and the tax on the remaining \$10 is only 7 cents. Officials say it costs 50 cents to send a bill for the 7 cents.

University of North Dakota quarterback Bob Falos captained the Sioux baseball team last spring.

admiral wrote: "I can even now assure you that my decisions and judgments of the day in Surigao Strait were adequate and proper... I have never made any protest or any sort of thing against misunderstandings, for I believe that the truth would prove by itself in the long run of history. "But this time," he continued, "I am deeply impressed by your eagerness and enthusiasm to find out the truth of the war in spite of your age."

HOPE IS HOME

HOLLYWOOD (AP)—Bob Hope is home from an 18,000-mile Christmas tour entertaining some 50,000 U. S. servicemen. It was his eighth Christmas tour.

"The greatest thrill was the gratification of all those kids overseas," Hope said. "They were wonderful."

ACTOR FACES TRIAL

LOS ANGELES (AP) — Actor-dancer Dan Dailey, 43, has pleaded innocent to a drunk driving charge and a jury trial is set for Feb. 5. He was arrested Sunday after police said he tussled with them at the scene of a minor traffic accident.

PA. GOP CHIEFS TO MEET JAN. 9

PHILADELPHIA (AP)—The two top leaders of the state Republican party will meet Jan. 9 for the first time since the November election.
 U. S. Sen-elect Hugh D. Scott and state party chairman George I. Bloom will be among six prominent Republicans coming here to discuss the party's financial problems.
 Scott, the only GOP nominee to win a major office in the state election, has criticized Bloom's conduct of the campaign and has called for a reorganization of the Republican State Committee.
 Some political observers blamed the Republican defeat on insufficient funds.
Others To Attend
 In confirming Sunday that the Jan. 9 meeting would be held, Scott said it would be a healthy thing if both the Republicans and Democratic parties would shed a little more light on their activities.
 The others scheduled to attend the meeting are:
 Thomas B. McBride, president of the Scott Paper Co. and a regular contributor to GOP political campaigns; Jay Cooke, Republican national committeeman; Lt. Gen. Milton G. Baker, superintendent of the Valley Forge Military Academy; and W. James MacIntosh, a Philadelphia lawyer.

PROTESTANTS TO HEAD OFF RACE BETTING

By RICHARD L. GRAVES
HARRISBURG (AP) — Protestant churchmen today prepared moves aimed at heading off enactment by the 1959 Legislature of any measure leading to legalized horse race betting in Pennsylvania.

We do not feel it is our job to lobby against such a bill, but we will try to alert our constituents to the problem and let them work directly on their lawmakers," declared the Rev. Dr. Jesse Reber, executive director of the Pennsylvania Council of Churches.

Sen. G. Robert Watkins (R-Delaware) predicted that the 1959 Legislature would authorize a statewide referendum to test voter sentiment on legalized horse race betting.

Feel Election Helped

But the Council of Churches feel that the November elections upset any chances of getting such a bill through the Senate. They point out that the House has not endorsed any such proposals in 20 years.

During the last Legislature a referendum bill backed by Watkins was introduced and passed the Senate by a 26-22 vote. Most of the support came from Democrats.

But Reber contended that one Republican supporter of the bill did not run for re-election and one Democratic supporter was replaced by a Republican.

Lawrence Would Sign

Gov. - elect David L. Lawrence indicated in a pre-election statement that he would sign a horse race referendum bill should one reach his desk.

Gov. George M. Leader sounded the death knell for such a measure in the 1957 session when he announced he could not sign such a proposal into law.

Consequently, the Watkins bill died in the House Law and Order Committee.

Strength In Rural Areas

The Rev. O. B. Poulson, who runs the church council information service on legislation, said he thinks "the situation is brighter this year for defeat of any moves toward legalizing horse race betting."

He indicated that the prime concern of the church groups is the strength of the major cities.

"Our (Protestant church) strength comes in the rural and less heavily populated urban areas of the state," Poulson declared.

"Less than 20 per cent of the people in Philadelphia are enrolled in Sunday Schools."

He said on that basis the church groups would oppose a referendum bill because the heavy city population would outweigh the rest of the state.

LONDON (AP) — The Soviet Union Monday rattled its intercontinental ballistic missile, and a hydrogen-bomb head for it, in defense of East Germany.

"Any provocation in West Berlin and attempted aggression" against East Germany "may start a major war," said the Soviet communist party newspaper Pravda.

The same threat was made before in trying to pressure the West to accept Soviet Premier Nikita Khrushchev's proposal that the Allies quit West Berlin and let it be turned into a disarmed free city.

CARACAS, Venezuela (AP) — Seven men suspected of planning an attack on President-elect Romulo Betancourt were held Monday for questioning. The men were picked up while near Betancourt's house Saturday night. The President-elect was not at home.

It's Going To Be Tough For Joneses To Keep Up In '59

By HAL BOYLE
NEW YORK (AP) — It is time again for our annual peek into the crystal ball at the prospects for the year ahead.

And the forecast is "Everything fine in '59." But with some reservations.

Almost everybody who is working will earn a little more money, but even the Joneses will find it harder to keep up with the cost of living.

Business and the cost of living will rise hand in hand. Politicians of all parties will sternerly call for more economy in government — and then sit down and vote more money all around.

The two words people will be most weary of by 1960 are "inflation" and "taxes."

Some Other Predictions

The cold war will remain about as peaceful as it has in the past, but defense costs will go up in every country as every day uncovers a new international crisis.

In the rest of the world people will riot for bread or power — and in America for the go-go's after football games.

A few other predictions: In March the United States will startle the world by firing into space the first satellite containing a talking dog. In April the Soviet Union will reply by shooting up a satellite containing a talking parakeet and a chorus of singing mice.

New Medal Idea

In China, 250,000 people weary of communal living will stage a friendly protest march on Peking — and that is the last that will ever be heard from them.

In Washington, D.C., these

things can be looked for: A congressman will receive a massive children's Easter egg hunt on the White House lawn — and recover 612 lost golf balls.

Forecasts about people: Secretary of State John Foster Dulles will make a trip by train. Nikita Khrushchev will go on the water wagon. Elvis Presley will get promoted to sergeant and write a book on Army life entitled, "Three Stripes and You're Out."

At all, quite a year—1959.

BERLIN (AP) — A top official of a private West Berlin intelligence agency has been arrested on suspicion of being a Communist spy.

West Berlin police said the man is Dr. Kurt Werner, 59, head of an economic section of the League of Free Jurists.

The Free Jurists — an organization which has received moral and financial support from prominent lawyers in the Western world — gathers evidence of legal injustice in Communist East Germany. It has wide-spread underground contacts in the East.

Werner knew the names of some of these underground contacts, and police suspect him of having given the East German secret police information on them.

Central Park in the midst of Manhattan's tall buildings was laidout in 1857 to give jobs to out-of-work men.

Jap Admiral Feared Trap In Battle Of Leyte Gulf

LOS ANGELES (AP)—A Japanese admiral has told a U. S. school boy his fear of a trap led him to withdraw his fleet when the Americans invaded the Philippines in World War II.

The 2,000-word letter of Vice Adm. Kiyohide Shima to 16-year-old Bill Frazer of Pacoima, Calif., broke the admiral's long silence on a mystery which has puzzled war historians.

Frazer had asked Shima why he pulled his forces out of the crucial battle of Leyte Gulf in October 1944. The youth will use the information in a history term paper in junior high school.

Expressing gratitude for the admiral's response, young Frazer added: "I hope I get an A on the paper."

Withdrew His Ships

While U. S. forces were fighting for a foothold on Leyte Island, Shima withdrew the ships of his 2nd Division from a running sea battle in Surigao Strait.

The admiral wrote Frazer that the Japanese 1st Division of Vice Adm. Nishimura was destroyed by the Americans. Shima's own flagship, the heavy cruiser Nachi, was crippled by a collision with another Japanese cruiser and was limited to a top speed of 20 knots.

All factors made him decide the Americans were waiting for him in force.

"It was quite clear that we should only fall into a ready trap," Shima said. "I considered all such things — events, circumstances, possibilities. Then I came to my decision that it would be better to retreat from the strait and wait a chance to know how everything went."

"Great Document"

The Los Angeles Examiner, which published the copyrighted letter, said it is "certain to become one of the great historical documents of the war in the Pacific."

In a preface to his answer, the

CALIFORNIA MAY BE SPLIT

SAN FRANCISCO (AP)—Public sentiment favors splitting California into two states, the San Francisco Chronicle said Monday.

The newspaper, releasing results of a poll, said a majority of participants believe the north and south have little in common. They wanted the issue settled by referendum, the paper added.

More than a third of the voters indicated that the question as put to them was unrealistic, if not impossible.

Almost half expressed the belief that such a division would benefit both the northern and southern sections of the state and a majority of the ballots favored a partition of California at the Tehachapi Mountains — the traditional boundary between north and south.

Principal Issues

The issues which received most votes:

Dissimilarities between interests, the cultures and general points of view in the north and south make partition desirable — 55.7 per cent.

Constant shift toward Southern California political domination of the state is a threat to the north which can best be met by separation — 49.8 per cent.

The Chronicle concluded that the ratio of participants favoring partition may in reality outnumber those who oppose it by three to two.

The newspaper did not release figures of the number of persons participating in the poll.

DIVORCE NEAR

LOS ANGELES (AP)—Former skating star Donna Atwood and millionaire showman John Harris, 58, have reached a property agreement and will get a divorce soon. They were married 15 years ago. Attorneys said Miss Atwood, 35, gets the \$300,000 family home in Beverly Hills, \$100,000 in furnishings, \$2,000 monthly alimony and support for three young children.

DOESN'T PAY

DETROIT (AP)—Wayne County loses money every time it bills Boleslaw Gavel. His house is assessed at \$2,010. But Gavel gets a \$2,000 soldier's homestead tax exemption, and the tax on the remaining \$10 is only 7 cents. Officials say it costs 50 cents to send a bill for the 7 cents.

University of North Dakota quarterback Bob Falos captained the Sioux baseball team last spring.

admiral wrote: "I can even now assure you that my decisions and judgments of the day in Surigao Strait were adequate and proper. I have never made any protest or any sort of thing against misunderstandings, for I believe that the truth would prove by itself in the long run of history."

"But this time," he continued, "I am deeply impressed by your eagerness and enthusiasm to find out the truth of the war in spite of your age."

HOPE IS HOME

HOLLYWOOD (AP)—Bob Hope is home from an 18,000-mile Christmas tour entertaining some 50,000 U. S. servicemen. It was his eighth Christmas tour.

"The greatest thrill was the gratification of all those kids overseas," Hope said. "They were wonderful."

ACTOR FACES TRIAL

LOS ANGELES (AP)—Actor-dancer Dan Dailey, 43, has pleaded innocent to a drunk driving charge and a jury trial is set for Feb. 5. He was arrested Sunday after police said he tussled with them at the scene of a minor traffic accident.

YOUR DOCTOR'S PRESCRIPTION

is written by him expressly for YOUR particular case. It is in his opinion, the exact drugs you need for relief or recovery. His confidence in the pharmaceuticals he prescribes is matched by his confidence in your Rea & Derick pharmacist. You, too, can rely on the skill and integrity of our skilled pharmacists.

"COMPOUNDING YOUR DOCTOR'S PRESCRIPTION IS OUR MOST IMPORTANT DUTY."
